Happy Easter! And Bits From Here and There

Easter!
Yes, a wonderful day.
A day when the world's greatest Man rose to silently plead once again with our forefathers to think and live as Christians.
To believe in God.
To love and to honor our neighbors.
To treat each other as we wish to be treated.
Yes, Highland Parkers, attend your church this Sunday.
Reaffirm your faith and your determination to live as Christians should.
Happy Easter!

A SIMPLE, SINCERE PRAYER.

"Thank you, O God, for a lovely day!"

That's the simple yet sincerely grateful prayer we overheard one of our twin nephews whispering the other evening.

In our opinion it's one of the finest prayers we've ever heard. It's warm.

It's simple—yet profound.

Profound? Yes, because in our opinion this prayer demonstrates deep understanding.

The prayer says that God made this day—and every day—lovely.

All our days can be fine if we want them to be.

It's strictly up to us.

Each day we're given is a wonderful day.

If our thinking is right, that day will be wonderful for us.

WISH WE SAID IT . . .

Credit that smart old sage Seneca with these words:

"Economy is in itself a great source of revenue."

SIGNS OF THE TIMES?

Street and Smith, publishers, report they're discontinuing production of pulps.

Could be Americans are becoming more interested in world affairs than in someone's true confession?

Elm Place School PTA To Hear Talk On Creative Drama

The Elm Place School PTA will have an interesting program at the meeting Monday, April 18th. At 8 o'clock in the evening at the school auditorium Miss Winifred Ward, director of Children's Theatre and Supt. of Drama in the Evanston Elementary Schools, will speak on the subject "Creative Drama in the Elementary School." Miss Ward, who is Prof. of Dramatic Production at Northwestern University has a keen insight into the educational value of dramatic activities. Her approach is interesting and entertaining as well as most timely at Elm Place where the current project of Gilbert and Sullivan's "Mikado" is being undertaken.

At this same meeting there will be an opportunity to see the current Art Exhibit which because of its great success is being held over for the enjoyment of those who attend. The art teacher, Miss Mary Lucile Hanson has gathered together and is displaying some of the results of her guidance and the children's talent. Seeing this exhibit is a thoroughly happy experience. All parents and friends are encouraged to come.

Girl Scout Troops Plan Bird Study; Leaders Discuss Camp Craft

The monthly meeting of the Girl Scout leaders took place on April 6. Mrs. David Lasier, program member of the Council told of consultants available for troops interested in bird study. She also suggested that troops working on the conservation badge or any troop that is interested buy and plant a Norway spruce

tree at the Girl Scout Lodge. The place for the trees to be planted is marked.

Summer Day Camp will be held at the Girl Scout Lodge for 12 days starting July 6. It will be an outdoor program with cooking, hiking, campcraft, handcraft, nature and outdoors activities. Day camp will be able to handle about 60 Intermediate and Senior Scouts. The Day Camp folder will be out about the middle of May and registration dates will be announced at that time.

Girl Scouts who visit the Lodge are asked to bring stones about 8 inches in diameter to use in firepits.

Training courses for inexperienced and advanced leaders are starting Tuesday, April 19th at the Girl Scout Lodge. The course for the inexperienced leaders is entitled "Campcraft for beginners" and that for the more experienced "Pioneers Advanced". There will be six meetings including an overnight on Friday, April 29.

The Leaders Regional Conference will be held Tuesday, April 26 at Winnetka. The subject of the meeting will be campcraft, and some of the Highland Park leaders will participate in the discussion groups.

Junior Mother's Club

The Junior Mother's Club will meet on Tuesday evening, April 19th at 8:00 o'clock at the Y. All Highland Park young women having children of school age or under, are invited to be present.

This group gets together, first of all, to meet other women of like interests and to have a good time with them. In addition to having fun there will be programs, entertainment, trips to near by places of interest and many other things.

An evening away from the kiddies is a treat now and then to any woman, so do come out and enjoy yourself with this merry group.
