WED IN ST. PAUL

St. Matthew's Episcopal church in St. Paul, Minnesota, was the scene of the wedding of Miss Carolee Billington, daughter of the Thomas L. Billingtons of St. Paul, formerly of Highland Park, and Edward J. Therrien, Jr., son of Mr. Therrien of 425 N. Green Bay road and Mrs. J. M. Collins of Selfridge Field, Michigan. The ceremony was performed at 8 p.m.

The bride was lovely gowned in traditional white satin made with a long train. Her veil was fingertip length. She carried a prayer book marked with an orchid and white snapdragons.

Miss Colleen Waack attended as maid of honor. The full skirt of her gown was of pale green marquisette and the bodice, a deeper shade of green taffeta. The bridesmaid's gown, exactly like that of the maid of honor, was also made with a pale green marquisette skirt. The taffeta bodice, however, matched the skirt. Both carried white carnations and white snapdragons.

Richard Therrien, brother of the bridegroom, served as best man, and William Peddle ushered. Both are Highland Parkers.

The bride's mother chose a navy blue dress for the occasion. Her accessories were white and her corsage was of white roses. Mrs. Therrien, too, was in navy blue. Her corsage was of gardenias and red roses.

A reception followed the ceremony at the Criterion, St. Paul.

Following a honeymoon trip to Louisville, Kentucky and Detroit, Michigan, Mr. Therrien and his bride will reside at 366 Ravine drive.

Besides the bridegroom's parents and groomsmen, Thomas Clark, Jr., of Highland Park, also attended the wedding.

Easter Flower Fashions

One sees a great deal of Navy in the new suits and coats, and Navy's perfect accent for Easter is fresh white flowers in a shoulder bouquet or sheaf. The florists are suggesting fulsome Belmont gardenias, white carnations, white irises, stephanotis, white tulips and, of course, luxurious white orchids.

More and more of the calls this season are for floral arrangements to be worn at the waist, both for street wear and formal occasions. The new convertible neck line in suits calls for treatment of its own in the floral corsage. Flowers should be arranged in a cluster or sheaf for wearing slightly to one side of the "plunging neck line"; then the corsage need not be disturbed when the conversion is made to a high neck line.

If this year's Easter suit must be a dolled-up version of last year's "best," its own floral adornment at least will be new and fresh and easy on the budget.

Gas & Oil CONVERSION BURNER

The TWINfuel operates on EITHER gas or oil—automatically switching from one fuel to the other as temperatures rise and drop.

It operates on gas as long as temperature is above the point where the Gas Company's peak load occurs. When the temperature drops below this point, the TWINfuel automatically switches from gas to oil—changing back to gas when the cold snap is over.

When the current fuel shortage is over, the burner can be permanently adjusted to operate on either gas or oil at no extra expenditure.

LOW INSTALLATION COST
