In several years there are enough flowers to provide a bouquet or corsage for every mother in the land. Local flower shops are particularly well stocked, and the prices are lower than at Mothers' day last year. That's especially good news for our readers in these times when the budget needs watching.

Origin of Mother's Day

Missing from the Mothers' day scene for the first time is the little old lady who persuaded President Wilson, back in 1914, to proclaim the second Sunday in May as Mothers' day. She was Anna Jarvis, who died last fall at the age of 85, in a hospital near Philadelphia.

Little Giants Whip Niles 5 to 4; Lose To Evanston 5 to 2

By William George

Highland Park high school's baseball team split in two games played last week on the Little Giant field. On Tuesday, April 19 Evanston gave the Blue and White a 5-2 beating in a Suburban League contest that saw the local squad able to garner only 1 lowly hit off of the hurling of Puffer of Evanston.

Fiocchi Settles Down; Too Late Evanston took the lead in the second inning on four singles and an error before the Little Giant hurler, Fiocchi, could settle down. He allowed only three hits during the balance of the game.

Highland Park's score came in the sixth as Armstrong walked and scored on O'Connor's double, the only hit of the game for the Little Giants. O'Connor advanced to third on the throw to the plate as Evanston tried to keep Armstrong from scoring. Henry Tuttle then walked and was thrown out at second in an attempted steal, O'Connor scoring on the play.

Byron O'Connor led the Blue and White hitting with 1 for 3 while Puffer hit 3 for 3 and Stewart had 2 for 3 for the Evanston team.

Fiocchi struck out 6, walked 1 and gave up 7 hits for Highland Park. Puffer, the winning hurler, struck out 6, walked 8 and gave up 1 hit. Niles 5 0 0 0 0 0 5 7 1 H. P. 0 0 0 0 0 2 0 2 1 4

They won the game in the tenth on hits by Charles Heimerdinger, O'Connor and Armstrong.

Highland Park used two pitchers in the game with Neil Sheehan starting and having 5 strike outs, and 4 walks charged against him while allowing 3 hits on four and one-third innings. Fiocchi then took over and struck out 6, walked 3 and gave up 3 hits in five and two-thirds innings he pitched.

Little Giant Baseball Team Blanked By New Trier Nine

By William George

The Highland Park high school baseball team met with disastrous results last Tuesday, April 26 as they tangled with New Trier's formidable outfit on the local field.

The New Trier team lost no time in taking the lead as they scored right off the bat in the first inning after two men were out.

Moore singled and then Fraser drew a walk and Gompert singled to load the bases. Marrifield then poked a double over second to score three runs. A triple by Christoph scored Marrifield with the fourth run of the inning.

In the sixth frame, the New Trier boys scored another run on three singles and a sacrifice.

The Highland Park lads tried in vain to score and the closest they did come to making a tally was in the first inning as Heimerding-

er singled and Sheehan followed with a base hit, both advancing on a double steal. But, alas, that was as far as they could get and the Blue and White came off the field with a great big "goose-egg" to show for their afternoon's efforts.

Ryno and Moore of New Trier led the hitting parade with 2 hits in four times at the plate while Fraser got one hit in two official times at bat.

For the Blue and White Sheehan, Heimerdinger, O'Connor and Fiocchi clouted singles.

Highland Park High Baseball Team To Play Proviso In Double Header

By William George

Highland Park high school's baseball team will play its first double header of the season when the Proviso Pirates invade the local field on Saturday, April 30.

The Blue and White have potential power in their bats and the pitchers have done pretty well this season. The Pirates will be looking for revenge for the two defeats the Little Giant's basketball quintet handed them during the winter season. These two factors should make a couple of real battles.

Play At Waukegan Tuesday

The Little Giants will travel to Waukegan on Tuesday, May 3 for a battle with their county rivals.

This will be the first league game away from home for the Blue and White, this season. Waukegan finished second last season and always have a formidable entry in the Suburban league.
