Following a short business meeting, Miss Lillian Smith will be presented in a program of her original, entertaining character sketches. Mrs. D. C. Swanson, whose daughter Beata is a senior at the Student Government Association, Mrs. Dorothy Jacobs of Chicago, and Mrs. H. S. Bowles of Skokie are in charge of the refreshments; Mrs. J. J. How-To-Do-It Books For Home Repairs

Now that spring is well entrenched, the time has come to tackle those little construction jobs around the house. How-to-do-it books may be found in the Public Library to explain the simplest time-saving way to accomplish most of these repair tasks whether it be laying a flagstone walk, building flower boxes, or refinishing an antique table.

Some excellent aids to the home-owners are:

Care of floors by W. T. Brown and I. B. Kee

How to restore antiques by Raymond F. Yates

How to restore furniture by Raymond F. Yates

Encyclopedia of home care and repair by Hennessey and Atkin

Householders' Cyclopaedia ed. by H. P. Manly

Wood finishing and painting made easy by Ralph G. Waring

Attractive lawn furnishings by Paul V. Champion

Furnishing the home grounds by Ken F. Shephardson

Those who plan to construct an outdoor fireplace will find practical advice in several available pamphlets including a new government publication, "Campstoves and Fireplaces." Dog houses, bird houses, and bird baths offer no problem to those who refer to the plans and specifications contained in several other library books.

A good basic guide, of course, is Highland Parker Walter Durbahn's Fundamentals of Carpentry Volumes I and II. Specific problems which are not covered in any of these books may have at some time been the subject of a magazine article, in which case the library assistants will be glad to help in finding the periodical reference.

Friendship Circle Of Wesley Methodist To Present Sound Film

The Friendship Circle of the Wesley Methodist church will sponsor a sound film entitled "My Name is Han", which was photographed in China by the International Film Foundations, on Friday, May 6th, 8 p.m. at the Highwood church. The film is a salute to an exciting era of Christianity, the maturing of the Chinese Christian church, according to Mrs. Barber Smith, president of the organization. Since the church in China is now developing her own leaders, the minister, doctor, teacher and agricultural expert in the film are all Chinese.

It deals with a theme not limited by race or nation, the heart-warming story of how one man found God when his neighbors put Christianity into practice. Han's story is universal. In fact his very name in Chinese means "Everyman." It is a story true to life, wherever that life has been touched by the hand of Christ," Mrs. Smith further stated.

The public is invited and refreshments will be served.

"Cheaper By The Dozen" Discussed At N. S. Smith College Club

Mrs. Carey, an alumna of Smith, talked informally about her book and about life in a family of twelve children.

Mrs. John Baird of Evanston, chairman of the nominating committee, presented the slate of officers, headed by Mrs. Philip C. Rutledge of Winnetka, who was chosen to replace Mrs. Hugh W. McCulloch of Evanston as president of the club.
