Here and There—

Will H. Schlichting

Was told by one of the lads on the high school baseball team that they would, for sure, give Waukegan a lacing when they played them. Tuesday afternoon the Blue and White went to Waukegan to whip the Bulldogs—outcome, Oh, boy! Highland Park, 3 and Waukegan 19. Who took the lacing that time boys?

Wilbur Allen, who has been the head basketball coach and athletic director at Waukegan high school for the past five years, will leave in June to take over duties as head basketball coach at Valparaiso University. While at Waukegan, coach Allen made quite a record for himself.

Roger De Koster, former Iowa State football player and high school football, baseball and basketball coach for the past few years, will join the Highland Park high school teaching staff in the Industrial Arts department according to Mr. Wolters, high school principal. Mr. De Koster will assist in football at the high school next fall and will also be fitted into the baseball picture next year.

I would like to take this opportunity to thank Mr. Wolters, Mr. Carlson and Mr. Morrison, with who I came in contact while trying to report the basketball games for the high school last season, for the very kind cooperation and help they gave me while attempting to get back into the saddle and write a few sport reviews. It is hoped that next year a complete coverage of football and basketball can be given the readers of the PRESS by yours truly and that the pleasant relationship with all the coaches at Highland Park high school can be continued. Thanks again gentlemen.

Girl Scouts Of Braeside School

The Girl Scout troops at Braeside school will hold their annual Court of Awards May 11, at 7:30 p.m. in the school auditorium. All interested in Girl Scouting are invited to attend.

The 6th grade members of Girl Scout Troop 8 of the West Ridge school were taken on their first overnight on Friday afternoon, April 22 and returned the next day. On Saturday morning Mr. Bert Leach from the Elm Place school took them on a bird hike in the vicinity.

Mr. Leach was the guide on another bird hike, Saturday, April 30, when the leaders had an overnight at the Girl Scout Lodge, the culmination of a course on campcraft and the outdoors.

The Girl Scouts of Troop 5, who are finishing the work on their cookout badges, held a cookout on April 28. This Thursday, they learned to use the reflector oven for outdoor cooking.

The Brownies of Troop 4 are now working on the Tenderfoot requirements in preparation for their "Fly-up" when they become Girl Scouts on May 24.

Troop 14, when the course on First Aid is finished, will have their Badge and will have completed the Junior Red Cross requirements.

Pete Ohlwein Wins "Champ Night" At Community Center

Pete Ohlwein, a new member of the winners' club, claimed the Champ Night crown last Thursday by defeating sharp-shooting Bob Proctor 21-13 in a startling game of table tennis at the Highland Park Community Center. Ohlwein had to hurdle Jack Beck while Proctor's main worry was Paul Jones.

"Champ Night" is a weekly affair held at the Highland Park Community Center for every teen-age boy or girl in the district.

Reporting on the current situation in the young State of Israel were Lieutenant Tamar Werber and her husband, Major Yohuda Werber, both lawyers as well as veterans of recent battles in Israel.

Tamar, 24, a "sabrah" or native-born Palestinian, joined the Haganah when 18 years old and later organized a young woman's company for such duties as intelligence, communications and convoy escort to Jerusalem. Yohuda, 31, veteran of major conflicts of the Jewish struggle for statehood, was educated in Haifa and member of Haganah since 1934. During World War II he took part in the actions of the famed Jewish Brigade.

WATCH OUT FOR KIDS!

Give kids a brake. Drive with extra caution near schools. And watch out for youngsters playing in the streets. Remember—it might be your child. So slow up, and let them grow up.

Be Careful—the life you save may be your own!

Scouting At Ravinia

Wood carvings and wood articles made by five girls in Scout Troop 20, Ravinia School, as part of their work toward the Wood Badge, are now on exhibit at The Highland Park Public Library. Charlotte Boysen, Mirah Edelman, Marcia Harrison, Mary Hough and Virginia Kleinschmidt are the Scouts who will earn the right to wear this badge.

The design embroidered on the badge itself is a Katchina doll, which prompted these girls to become interested in the history, the collection and carving of these wooden figures. "Katchina" is the Indian name for the supernatural

spirits believed to descend each year from the mountains with blessings or punishment for the Hopi Indian tribes.

Scouts in Troop 20, Ravinia School, cooked their first one-pot meal at Sakajawa on Monday, April 25th. Judy Garwood, Marilyn Geller and Joanne Nickels proved to be expert fire builders. For most of the girls in this troop, this completed work on their Outdoor Cook Badge.
