Considerable work remains yet to be done to make the clinic a functioning reality. To that end the active interest and cooperation of the residents of all North Shore Villages will be needed, since wide popular support is essential to make the Clinic a success. Membership in the North Shore Mental Hygiene Committee is open to all who desire to further the establishment of the Clinic.

Announcements of further meetings and developments will be made through this paper. For further information call Winnetka 6-2166 or Highland Park 4981.
