Beware!
And
Notes From Here And There

Beware!
Yes, beware of that treacherous intersection at Green Bay and County Line Roads. Here, in our opinion, is Highland Park's most dangerous spot. A spotlight is needed there at once . . . particularly at night, after Ravinia concerts, and when drivers are blinded by bright lights flashing from three different directions. We suggest Highland Park and Glencoe safety experts study this death trap and then take immediate action before lives are lost. With the installation of stoplights at Green Bay and Central Avenues safer and saner driving is seen each day in busy Highland Park. Caution is everyone's job. A town can't be too safe. Life in Highland Park can and must be made safer!

DOES UNCLE SAM OWE YOU MONEY? . . .
Yes, Uncle Sam may very well owe you money, too!
"It is estimated that more than \$10,000,000 is 'lying fallow,' waiting to be 'plowed up' for the asking," writes Gil Gardner on Page 39 of the August Coronet. Friend Gil, a writer you're going to be reading more and more as he gains deserved recognition from the nation's leading editors, spotlights a little known fact that, in certain instances, upon presentation of the proper application, you can get a refund from the government under the Social Security Act. We urge you to read Gil Gardner's informative article.

NOTES FROM HERE AND THERE . . .
Doug Brown and family have been visiting their many North Shore friends here recently. The Doug Browns live in Pittsburgh where Doug has an important position with one of the nation's leading steel companies. The Robert F. Walkers have a fine new home in West Highland Park where more and more young Highland Parkers are settling. Wonder how many vets still need homes? Many dwellings could be built with the money used to buy expensive gasoline uselessly burned by military flyers "on routine training flights," which usually means certain pilots have dates in other states and decide they'll fly over for a weekend! Wonder why playwrights think they've got to use the Lord's name in vain to put across their plays?

New Members Chosen For Mosquito Abatement Unit
William T. Jones, 310 N. Linden avenue, has been appointed by Judge Minard Hulse to take the place of George Dana, member of the board of the Highland Park Mosquito Abatement district. His term will expire in December, 1950. The board includes William Heinrichs and Mrs. William Stupple of Highland Park, Mrs. David L. Waddington of Deerfield, and Melvin R. Nelson of Bannockburn.

Playhouse Season Passes Half Way Mark

"Payment Deferred" by Jeffrey Dell, will be the seventh production of the 1949 season of the New Lake Zurich Playhouse and their 44th since opening. Mr. Dell's play is important in the fact that it was the first of a series of plays to use the flash-back. The story starts out with a prospective tenant looking over the house that once belonged to a murderer, and consequently is told the story of the former tenant.

The difficult part of the murderer will be played by Robert M. Casper. Mr. Casper has been seen in various roles at the Playhouse, among them, the Inspector in "Angel Street", Leo in "Little Foxes", and Jake in "Pappa Is All".

Also in this production will be Joan Englehard, Constance Charles, and Jill Sherry. Miss Bella D. Itkin will direct "Payment Deferred", with setting by C. J. Bailey and costumes by Elsie Kupka. This exciting murder mystery will play next Wednesday thru Sunday, August 10th to the 14th.

Miss Maria Santi To Be Featured In Summer Concerts

On August 17 at Palmer Park, Roseland, a suburb of Chicago, Miss Maria Anna Santi, 303 McDaniels avenue, will be one of the featured singers of the Chicago Municipal Opera company concert. Miss Santi will sing the part of "Vilia" in "The Merry Widow", and will take the contralto part in a duet from "Tales of Hoffman". The concert will be repeated at Garfield park on August 23 and at Independence park on August 29.

TENTHOUSE THEATER NOTES

"The Heiress" is the play of the week at Highland Park's theater-in-the-round . . .

Barnard Hughes, Marrian Walters, Don Curtis and Gertrude Kinnell, each a highly talented individual, star in "The Heiress", another winner, we'll wager . . .

Although it's written in big, bold, black, capital letters, "NO SMOKING PLEASE", first-nighters light up inside the tent causing a fog-like haze between the actors and the audience.

It's not pleasant, you pufflers—Despite their clear and powerful voices, Tenthousers can't out-shout the rain . . . and we recommend when the rain comes, the play be halted; actors remain in their positions; get comfortable; and then just relax and wait until the rain stops.

You've won your audience, you Tenthousers!

We won't walk out on you. We want to hear what you say. So . . . please pause when the August rains come.

Christy Palmer and Joan Baldwin not only can act, but they can sing,—and beautifully, too.

Whatever role Barnard Hughes takes, he does an exceptionally fine job.

Each week the Tenthousers improve and we certainly hope you Highland Parkers are catching the shows.

Highland Parker To Appear On the Air On Sunday, August 7

Highland Parkers will be glad to be reminded of the appearance of Bernie Bernardi, tenor, over stations WGN, WGNE and telecast WGN-TV on Sunday, August 7 from 9 to 9:30 p.m.

A winner on a competitive program June 12, he was one of the three to win from a group of 35.

The young tenor will now compete for a Hollywood screen test, \$500 savings bond, \$425 television set, free trip to Hollywood and other prizes.

Listeners' votes decide the winner.
