ON DISTINGUISHED STUDENT LIST Two students from Highland Park were among 1,800 to win a place on the distinguished student list at Purdue University for the second semester of the academic year ending June 30, according to the list released from the office of C. E. Dammon, registrar and director of admissions.

To attain a place on the distinguished student list, a student must attain a grade point index average of five or better in all subjects carried during the semester.

Highland Park students attaining this honor are Elizabeth L. Lacy, 1645 Dato Avenue, and James C. Stephenson, 1396 Clavey Lane.

Mr. Twiggs was told by his wife to bring her shoes to the cobbler's for repairs, and already late for work, he grabbed up the shoes without wrapping them and left the house. When he caught his bus he still had the shoes under his arm, and as he sat down, noticed a man opposite him looking at the shoes with great interest. Finally the curious stranger leaned over to Twiggs and, with a knowing wink, whispered, "That's right, mister, don't let her gad about!"

Harrison's Whip March's To Tie for First In AA Softball League

Harrison Wholesalers dealt the Marchi team its first defeat in the second round of play to tie them for first place honors. Sammy Rexford, in a pitching duel with his "cousin" Mel Harder, out-pitched him to give his team a 5-3 victory. Another deciding factor in the victory for Harrison was their superiority in the fielding department.

In other games played Bob's Braves defeated Bethany 10-0, Fells won over Rexes 12-0, and Olsons Printers defeated Thayers in the nightcap 8-4.

Three Teams Tied For Lead in 16 Inch Softball League

High scoring games featured play in the 16 inch softball league last Thursday. The 19th Hole Club still smarting from their defeat by Fells two weeks ago were out to show they are still contenders for the championship trophy by upsetting the league leading Haven club 15-4.

Red Fay, pitching for the 19th Hole, held the Haven scoreless until the 8th inning when the Haven took advantage of some shaky fielding to score their four runs.

Western Electric which has one of the tail end clubs in the first round standings have come up with a few new ballplayers and have been making it tough for everyone they have played in the second round. Last week they defeated Fiochis Stone Masons 10-2.

The Monarchs defeated Russells 12-2 to keep their mathematical chance for a playoff berth in the second round.

Fells, playing under the lights against the V.F.W., had to come from behind to win 14-8. This win put them in a tie for first place with the 19th Hole and

Western Electric.

Two games tonight which have important bearings on 1st place standing are the Western Electric—19th Hole game and the Monarchs—Fells game.

Library Offers Help For College Freshman

When September is next on the calendar and approaching college days bring just a touch of apprehension, that's the time to brush up on college "know-how". The Highland Park Public Library has two new books plus a great many older ones to help a prospective freshman avoid the traditional pitfalls. "Off To College" by Suzanne Emerson (a Northwestern graduate) gives helpful information plus a good section in which the sorority system is fairly represented pro and con.

Books of other years that are still good include "Through a Dean's Open Door" by H. E. Hawkes, "So You're Going to College" by C. E. Lovejoy, and three excellent references: "American Colleges and Universities", "Lovejoy's Complete Guide to American Colleges and Universities", and "American Junior Colleges."

The college catalogs are available as always for circulation, and the librarians wish to make it clear that any catalog which is not now in the collection will be ordered upon request.
