Fells Clothiers Win Highland Park 16 Inch Softball Championship

Fells softball team won the championship for Highland Park 16 inch League play for 1949 at Sunset Park field Thursday evening.

After a very close nip and tuck game with the Havens for 8 innings in which the score was 3-2 in favor of Fells, the game was put on ice in the first of the 9th inning when Fells power hitters drove in 5 runs.

Many fine plays featured the game by both teams. The climax came when Art Bock, pitcher for Fells, hit a home run with the bases loaded in the 9th inning.

This has been an excellent league with 8 teams competing in two complete rounds, each team playing 14 games throughout the summer.

A suggestion has been made to the Recreation Department that the League be divided into two sections with one group of players under 30 years of age and the other league for players 30 years and over.

Following the game last Thursday trophies were presented to Ed Weil, manager of Havens, and Leo Labuda, manager of Fells, by Mrs. Pat Eisendrath for the Highland Park Recreation Department.

Report Epidemic Funds To Fight Polio Dwindling
The 1949 polio outbreak is rapidly exhausting the epidemic reserve of the National Foundation for Infantile Paralysis. State representatives of the Foundation report that the unprecedented widespread incidence of the disease this year has also virtually depleted the March of Dimes funds in many states including Illinois, where all but nine counties have registered polio cases in recent months.

Illinois is fourth in the national standing of infantile paralysis incidence. In Lake County 50 cases were reported for this year, up to August 31, in comparison to a total of 24 in 1948.

The state representatives of the Foundation point out that chapters in Illinois that once might

have been expected to help others close by are now hard pressed to meet their own obligations.

With many chapters having utilized all available local funds, from here on, officials say, it is up to the National headquarters to bear the heaviest part of the financial burden. The costliest part of infantile paralysis comes with extended after-care. Foundation officials look forward with considerable concern to the next two months, when cost of patient care may well run into the millions.

Touch football games will be played under the lights on Thursday evenings at Sunset Park.

This league will be limited to 6 teams. Play will begin Thursday, September 22nd.
