

Five Basic Points About Chest X-Ray

Mrs. H. S. Vaile and Mrs. H. F. Detmer, board members of the Lake County Tuberculosis Association, announced today five basic points about a chest x-ray survey.

Second, it is painless. Having an x-ray taken is just the same as having a picture taken with a camera.

Third, it takes only a minute. In the fourth place, the findings are confidential.

"Last of all," Mrs. Vaile continued, "There is no undressing required at the unit provided men wear shirts without buttons on the pockets and women do not wear dresses with buttons or ornaments other than down the center.

The mobile unit will arrive in Highland Park on October 10 and be located at Highland Park High School on Monday and Tuesday to x-ray the children of the high and grade schools who reacted positively to the tuberculin test given here recently.

Life Begins At 82

At least it does for Highland Park Oscar Schmidley, who has served Lake county as a steam fitter for the past 46 years and

is still going strong. He will celebrate his 82nd birthday on October 8th.

If anyone would like his recipe for keeping fit, it goes something like this: Arise early; drink a glass of hot water; eat a good breakfast; work hard all day; if anyone steps on your toes tell 'em off.

Suburban Conference History Compiled By Highland Park High School's Harry G. Pertz

A "Gift From Heaven" for sports writers in the Suburban Conference has been compiled and distributed by Highland Park High School's own Harry G. Pertz who has been secretary of the Conference for a good number of years.

The "gift" in the form of a booklet, tells all the data concerning the Conference since the organization was made up in 1928.

Evanston Too Fast For Frosh-Soph As They Trim Locals 32-13

"Chained Lightning" is what the Highland Park High school Frosh-Soph team ran up against as they took a 32-13 whipping at the hands of the Evanston squad last Saturday on the Evanston field.

The Evanston lads did not waste much time in showing the fans that they were out to win. Early in the first quarter McKiever took the ball and jaunted 55 yards around right end for the first score of the game.

In the second quarter McKiever again broke loose for a 20 yard sprint and this time he made good on the try for point after touchdown. Once again this same lad got in the Blue and White gridders hair as he threw a pass from his own 15 yard line to the Highland Park 45 yard stripe where Stewart, Evanston right end, gathered the pigskin into his arms and raced the remaining 45 yards down the side lines to score.
