You Can Be Proud of Our Hospital

369 babies delivered.
1,235 operations performed.
895 emergencies attended . . .
That's just a small part of the vast amount of work performed by Highland Park's capable hospital staff during the last year . . .

Yes, you can be proud of our hospital which not only serves Highland Park, but Deerfield, Bannockburn, Highwood, Glencoe and other communities on the North Shore, and elsewhere. Great progress has been made at our hospital during the last year.

Leaders Deserve Praise . .

Thanks to leaders like Howell W. Murray and President Frank F. Selfridge and their helpers, Highland Park's hospital is one of the best in the nation . . .

As chairman of the building fund committee, Howell Murray has given four years of his time in the unselfish effort to promote

funds to enlarge and better our hospital.

Through his unceasing and effective campaign, thousands of dollars have been raised, and now our hospital is getting the needed improvements to keep it in step with our growing community . . .

Here's the Goal . . .

The goal is \$750,000 . . . When that goal is reached there will be sufficient funds to complete the improvements now underway.

This goal will be reached by the deadline, January 1, 1950, because Highland Parkers, and others, know that the best hospital is none too good for their dear ones in times of emergency.

Give generously, Highland Parkers, to your hospital.

Your dollars will keep Highland Park away up in front with the leaders across our great nation.

LOOK WHO'S HERE
