

Swimmers Better Time As Practice Continues

Upon completion of the first time trials of the year for the Highland Park high school swimming teams, Coach Robert Kendig, of the varsity, and Coach Mark Panther, of the frosh-soph, have a better idea of the abilities of their respective teams.

The initial time trials for the varsity were held last Tuesday, and according to Coach Kendig, all the boys improved upon their time of last year. The two outstanding times registered were by Gerson Widoff in the 45-yd crawl, and by Dave Lasier in the back stroke.

Of the 21 swimmers who reported for the time trials, only two, Widoff and John Peterson, are returning lettermen of last year's team.

Among impressive times recorded during the frosh-soph time trials were those of Ken Kraft in the 100-yd. crawl, Hugh Zimmerman in the 45-yd. crawl, Dave Cox in the breaststroke, and Larry Brown in the backstroke and individual medley.

Outstanding among the freshmen were Rubinstein (breast stroke and individual medley); Day, Davidow, Gould, and Husting (crawl); and Barton, Keim, and Stanwood (backstroke).

Coach Panther remarked after watching the first time trials, "The team is still green, but appears to be shaping up well. We have had three of our swimmers, Russ Whitney, Marty Rosenthal, and John Goodman, out with sickness, and their return should fortify the team to some extent."

Both Kendig and Panther agree that more practice and the Niles meet (Tuesday, November 22) will prove to be invaluable experience for their teams. All in all, it looks like a good year for the swimming teams at Highland Park high school.

SHORELINE

Written By Highland Park High School Journalism Students

Riding Club To Attend Horse Show On December 3

In order to see an exhibition of expert jumping, racing, and trick riding, the Riding club of Highland Park high school will attend the Chicago International Live Stock Exposition and horse show December 3 at the Chicago Arena in Chicago. Riders from the United States, Canada, and South America will take part in the show. The show is being held from November 28 to December 3.

The local Riding club was formed last year and has recently been made part of HGA. The 25 members are led by its student officers: Ann Davidow, president; Marilyn Date, vice-president; Ann Lawton and Ann Curtis, secretaries; and Judy Sanborn, treasurer. Mrs. Rose Manasse, Mrs. Kenneth Manchester, and Mrs. E. L. Davidow act as sponsors.

Ann Davidow, Ann Lawton, and Charlotte Manasse own their own horses, with Ann Davidow having trained her horse, "Silvey", herself. Several of the girls have competed in horse shows along the North Shore. While the chief purpose of the club is to improve fundamental riding habits, several of the girls have shown interest in jumping. Members include freshmen, sophomores, juniors, and seniors. Each member pays for her own riding lessons.

2nd Shoreline Meeting Held Last Wed. Nov. 16

For the purpose of discussing the subscription campaign for the Shoreline, a meeting of students was held on Wednesday morning, November 16, in the College Career room.

Representatives from the freshman, sophomore, junior, and senior executive boards, the student council, and the journalism classes were present. Mr. A. E. Wolters, principal, was in charge of the meeting.

It was decided to have a campaign after the beginning of the year to collect enough money to last until February of next year.

They then discussed who should run the campaign, and it was thought that it would be a good idea to have the freshman, sophomore, junior and senior executive boards in charge of collecting money from each session.

There was a discussion about changes that could be made on the Shoreline and also about having a benefit show at the beginning of the year to raise additional money for the paper. Nothing definite, however, decided about these matters.

Hit Or Miss

Mary Dewey and Vangie Rose are leaving December 26 for Florida. They wish to extend an invitation to anyone who wants to take a jaunt down there for New Years Eve.

The fad for this month is carrying a cane. If you don't walk down the hall, cane in hand and limping, you just aren't in style.

Beverly Johnston, our former student who moved to Lockport, Illinois, last summer, is now attending Lockport high. She says she likes it very much. She had a small part in their fall play, "Meet Me In St. Louis," which was given during November.

Carniest Joke of the Week:
Cleo—Why do ducks walk softly?
Echo—I don't know
Cleo—Because they can't walk hardly.

Question of the Week???
Who will take Paul Day to the Turnabout?

Wonder what Alice Arentz meant when she said "We've got so many things for which to save our money and then there's New Year's Eve"?

Jean (Smootie) Smoot has some exciting news for you girls, but it's up to you to find it out, as it's not allowed to be published yet. By the way, she also was a finalist for the Homecoming Queen at the University of Colorado.

Alyn Loeb and Susie Buchbinder are home again this weekend. You two sure spend a lot of time at school.

Youth Orchestra Concert Nov. 28, at Orchestra Hall

The Chicago Youth Orchestra of greater Chicago, which is made up of the better players from Chicago and suburbs, will put on their first fall concert, Monday, November 28, at 8:15 in Orchestra hall, Chicago.

Carolyn Schartz, who is a member of Highland Park high school orchestra, first violin section, is a member of this organization. The orchestra practices very Saturday morning in Chicago and usually gives three concerts a year. This is the fourth year of the orchestra.

Other Highland Parkers who have enjoyed this distinction are Ellie Baird, Carlyn Baird, Carole Metzinger, Hines Juergensen, Jan Finch, Pat Peterson, Howard Caro, and Bill Bates.

Argo Trips H. P. Cagers 41 to 35 In Opener Here

Scoring 10 points in the final quarter to Highland Park's 4, Argo's "Ironmen" broke a third period deadlock and defeated the Little Giant Five 41 to 35 in the season opener on our home floor last Saturday.

Argo had a 10 point lead at the end of the first frame, with most of their points coming on shots by their giant center, Harold Grant.

The Blue and White, paced by the sharp-shooting Don Coleman, garnered 16 points in the second frame to draw closer to Argo. At the half the score stood Argo 27, H. P. 22.

In the third period, H. P. held Argo to 4 points by completely bottling up Harold Grant. Our boys meanwhile hit the basket for 9 and tied up the game 31-31. From here Argo went on to win.

The game was lost for Highland Park at the free throw line, for our boys connected on only 3 out of 14 charity tosses. Argo, using only six men, scored 17 field goals and 7 charity points, while H. P. got 16 field goals and 3 three throws.

Frosh-Soph Cagers Fall To Argo 39 to 32, Here

Highland Park's frosh-soph opened the basketball season by going down in defeat to a scrappy Argo quintet 39 to 32 on our home floor last weekend.

Argo used only six during the whole game, the substitution coming in the final quarter when Allen replaced Lambert who had to leave the game on personal fouts.

Highland Park's crew got off to a good start. In fact, they lead 21 to 19 at the half, but in the third period Argo put on a big rally of 14 points.

Coach Morrison, of the frosh-soph, started Freberg and Marchietti as forwards, Pizzato and Benson as guards, and Bob George in the pivot slot.

Renzo Marchietti led the Blue and White with 9 points, while Bob Allen was high man and star for Argo with 19 points.

This Friday, November 25, Highland Park will be host to Northbrook high school in another double header.

"The Super Scoop"

Quite a few parties have hit the town in the last weekends. Some of them were given by, Sue Aaron, Bud Rolfe, Sue Ratner, and Debby Ross.

The boys seem to want us to put a last reminder in for the girls to get their Turnabout dates so here goes. Come on gals, don't be bashful—ask him!

What is this we hear about Larry Dean wanting to borrow Carolyn's gym suit for gym? Now we've heard everything.

After an election we finally elect Jean "I'm really living" Bailey as the craziest freshman girl.

We hear Jim Faulkner has turned down three dates to the Turnabout. The girls are actually in tears about it.

Little Giant Sales To Begin In Session Nov. 30

Striving to reach a goal of \$1000 before Christmas, the Little Giant subscription campaign will begin November 30 and continue to December 7.

The reason for starting so early is that producing such an annual book is a long, tough job, and until at least \$1000 is raised no work can begin.

The students are urged by the people in charge of the campaign to have their money ready and to cooperate with the sales representative in charge of their session.

Girls' Gym Classes Undergo Posture Tests

Besides the regulation gym work, the members of the girls' physical classes have been undergoing posture tests.

Each girl is judged by her respective gym teacher on her general posture, and suggestions are made to each girl on how her posture might be improved.

There were the fortunate ones who were given A's on their tests, but there were others of us who were judged everything from sway-backed to round shouldered.

Competition Is Strong As Volleyball Starts

With the volleyball season in full swing under the direction of Joan Avery and Ruth Skytte, a few sessions have already shown their strength.

In the freshman tournament, Wall's and Beckmire's sessions were victors in the only games played. Handberg's and Joiner's sessions thus far hold the upper hand in the sophomore tournament play. The junior sessions of Morgan, Lauderdale, and Nelson won their first contests. Both Weldin's (school champs) and Philipson's (runners-up and always a threat) took their games in the senior contests, but not without considerable trouble. They defeated Bog's and Bean's sessions respectively.

It will be interesting to see how much competition the underclassmen will offer the formidable champions from Miss Weldin's session. From what we've seen so far this year, the battle for the championship should be a wide open affair.

N. S. Hockey Team Plays Milwaukee-Downer

Three Highland Park high school girls played on the North Shore high school hockey team in a game with Milwaukee-Downer last Saturday, November 19, on the Skokie play field in Winnetka.

Sue Clarke, goalie; Joan Graham, center halfback; and Thayer Forbes, inner, represented Highland Park on the team. Students from Lake Forest, New Trier, Evanston, Chicago Latin, and Roycemore also were members of the team.

The game was sponsored by the North Shore Hockey Association.

Art Department Displays New Set of Paintings

A set of paintings has been purchased by the Highland Park high school to further the educational purposes and appearance of the school.

The pictures, which vary in types of art, include the old masters and the modern. The art department will display a new picture every two weeks in front of the library in Shields Hall. A brief outline on each artist will appear under every print. After each display, the picture will be hung permanently in the school.

The frames are being made by Mr. McLaughlin's industrial arts class.

Art Students To Have Model Houses Displayed

After the PTA meeting on December 1, a selected group of model houses made by the third year art students will be displayed in the window of the Highland Park Savings and Loan Association, 552 Central avenue.

Chorus Rehearsing Music For Christmas Pageant

The chorus is busy practicing their music for the Christmas Pageant to be held December 23 in the high school auditorium at 8:45.

The chorus is practicing many familiar carols, and the program is planned so that the students will have a chance to join the chorus in the singing of some of the carols.

Highland Park Ski Club Plans Program for Year

At a meeting held last Wednesday, the Highland Park Ski Club made plans for the coming year.

The club, under the direction of Mr. Carpenter and Mr. Libbaken, sponsors, have decided to make annual trips to Wilmot, Wisconsin, whenever there is enough snow.

Plans were made for a ski rack to be put on top of the bus to carry the skis. Members also paid their dues and received blank permission slips so they can go on the ski trips.

The officers for the year are as follows: president, Bud Rolfe; vice-president, Harold Tasker; secretary, Sam MacMaster; and treasurer, Joe Cleaver.

H.P.H.S. Tops Community Chest Quota Of \$768.25

Collecting more money for charitable purposes than ever before in the history of Highland Park high school, the "Community Chest" drive came to an end Wednesday, November 16.

The drive was previously planned to end on Friday, November 11, but was carried over until the following Wednesday.

The school succeeded in topping its original quota of \$786.25 and ended up with a total of \$787.65. The juniors collected the most money and turned in \$223. The seniors were second with \$200, the freshmen third with \$190, and the sophomores last with \$155. Every class except the sophomores succeeded in going over their quota. In the school, 31 out of 43 sessions went over their quota.

Mr. McLaughlin's session collected \$42, which was the largest amount given by any other session in the school.

Vocational Conferences March 22 - February 15

There will be two Vocational Conferences next semester, February 15 and March 22. Registration for the first conferences will be held on January 30 and for the second on March 6.

The vocational jobs that are listed to be discussed are as follows: Journalism, Physical Training for Boys, Medical Technician, Secretary, Architecture, Air Line Hostess, and a Fashion Designing, if possible.

Mr. Stewart Teaching Night School at L.F.C.

Mr. George C. Stewart, dean of boys at Highland Park high school, is now teaching evening classes at Lake Forest college, Lake Forest, Ill.

One of his classes is Business Communications, and is held on Thursday evenings. This is a course exclusively for those planning to enter or engage in business communications.

Students attending the classes have the privilege of using the library, the student center, and the bookstore under the same rules as the students of the day session.

Tableaux of Masterpieces For Christmas Assembly

This year's Christmas assembly will be in the nature of famous pictures in tableau form. The pictures to be portrayed are "Madonna Del Granduco", by Raphael Sanzio; "The Annunciation", by Fra Angelo; "The Nativity", by Tarrant; "The Madonna of Prayer", by Warner, and another that has not yet been chosen.

The members of the drama class will be in the tableaux, and the chorus will supply appropriate music for the program. The assembly is planned for the last day of school before Christmas vacation, which is Friday, December 23.

Many Visual Aid Movies Used At High School

Approximately 400 different movies will be shown during the year as a part of the visual aid program at the Highland Park high school, according to William Einbecker, visual aid director.

The films include subjects of all kinds, such as science, core, English, mathematics, social studies, music, shop, and home economics.

The electrical shop, science department, and social science classes use film strips, which are a series of still pictures that can be projected on the screen. The journalism room has been equipped with shades so the class will be able to use an opaque projector. This will enable the class to study the compositions that they write and to criticize them.

Office Practice Gets New Machine for Girls

In order that the members of the Office Practice classes learn more about modern office machines, the school has purchased an electric calculator for the department.

It takes approximately five days to learn the fundamental rules. You spend one day on each of adding, subtracting, multiplying, cipher division, and strokewheel division.

After learning the five fundamental rules, one is not a professional, but keeps practicing until he can qualify for a job.

LEANS ON FRIENDS FOR SCHOOL SUPPLIES

The Sportlight

By Will Schlichting

The Highland Park varsity basketball team took up where the football squad left off and came out on the short end of a 41-35 score last Saturday night as they entertained Argo on the local hardwood.

Trailing badly at the end of the first quarter the Blue and White came to life in the closing minutes of the first half to get back into the ball game.

However they were unable to keep up the pace in the last half and Argo took command to come out the winner.

Although the Frosh-Soph also tasted defeat, 39-32, they showed promise and when they regain the services of Franko Picchietti and Rogan to team up with George, Marchietti, Benson, Capitani and Freberg the boys should be quite hard to beat. It was just too much Allen, of Argo, last Saturday as the youngster scored 19 points to lead the scoring. Marchietti with 9 points led the Blue and White "small fry" with the rest of the scoring being done by George (8), Capitani (5), Benson (4), Freberg (4) and D. Picchietti (2).

Spring football practice for Illinois prep elevens has been outlawed, the State High school association announced last week. The association said new regulations prohibit a team from practicing except between the Monday preceding Labor Day and the first Saturday in December. Summer and early fall basketball practice are also outlawed. No school may start basketball drills before October 1.

We understand that Danny Coleman and Gene Tagliapietra are doing alright for themselves at Iowa State and Charlie Heimendinger at Missouri in freshman football.

A few other basketball games over last week end found Niles beating LaGrange on Friday 50-41 and losing to Evanston on Saturday 60-44. Waukegan defeated Libertyville 31-23. The Evanston Frosh-Soph won from Niles 50-21 and Waukegan beat Libertyville 33-13.

John Breen, coach of the Lake Forest college football team, probably wished, last Saturday, that he was back at Carroll college where he had coached for 11 years prior to his taking over the reins of the Foresters. The reason—Lake Forest was defeated 6-0 by Carroll.

The Highwood Junior American Legion baseball team was honored at the 10th District meeting of the American Legion last Friday evening. Weldon Graham, in presenting the cup to the boys, stated that "In my opinion this team is the best one the district has had during my term as athletic officer of the 10th District." The cup, presented by the 10th District will remain in their possession until it is won by some one else and the first team to win it three times, not necessarily in succession, will be the permanent holder of the cup. The boys did a grand job last summer and those in charge of the team are looking forward to another good year as there will be several good lads back from last year's squad.

The varsity and frosh-soph basketball teams will square off against Northbrook Friday night with both hoping to come up with a victory. On December 2 the boys will take off on the long hard grind for the championship of the Suburban league as they go to Maywood for a couple of games against Proviso.

Don't forget to see Fred Waring and his entire company next Tuesday at the high school starting at 8:30 p.m.
