Your Gas Worder Worker

Man can criticize woman all he wants to, but we know three things in her favor:

First, she never wastes two dollars worth of shotgun shells in order to shoot a 25c rabbit. Second, you never heard of her giving a waiter a 50c tip because he smiled at her. Third, no one ever heard of a woman who would pay \$25 to hire a boat to get where the fish are not.

And... she considers the savings to be made by choosing a Gas range... From \$30 to \$150 is saved when she selects a Gas range... Gas ranges cost less to buy, less to install, less to repair, and less to operate.

The Sportslight

By Will Schlichting

Participation in intramural basketball has reached a new high at Elm Place school. Ninety-seven boys out of a total of 133 in the 6th, 7th and 8th grades have been taking part in this popular sport. Each grade is divided into a four team league and each of the twelve teams has played a total of twelve games and will continue playing through the month of February. This sport will then be replaced by volleyball, followed by badminton, table tennis, track and field, and softball.

Boys in the eighth grade who have shown ability above the average are now being groomed to make up a team to represent the school in inter-school games. Two games have already been played—one against the Highland Park high school freshmen, which was won by the freshmen by an overwhelming 58 to 18 score. The other game played to date was against Oak Terrace school when the Elm Place (Sport Kings) came back to win 44 to 28. Other games now on schedule are with Lake Forest Academy and with the Nichols School of Evanston, plus a return game with Oak Terrace.

The following ten boys comprise the nucleus of the squad which will take part in inter-school games: Jim Troy, Bill Perry, Ronnie Walz, Tom Diehl, Robbie Diehl, Richard Pizzato, Don Trieschmann, Sheldon Baskin, Albert Tureki and Tom Peterson.

Following are the standings in the Elm Place grade school intramural basketball leagues:

| Grade | Team | W | L |
|-----------|----------------|----|---|
| 6th grade | Bulldogs | 8 | 5 |
| | Tigers | 7 | 6 |
| | Eagles | 7 | 6 |
| | Panthers | 4 | 9 |
| 7th grade | Jayhawks | 7 | 4 |
| | Eagles | 6 | 4 |
| | Hawks | 6 | 5 |
| | Panthers | 1 | 9 |
| 8th grade | Celtics | 11 | 1 |
| | Globe Trotters | 5 | 6 |
| | Stags | 4 | 8 |
| | Lakers | 3 | 9 |

The frosh-soph basketball team at the high school apparently does not want to win ball games. After two swell games a couple of weeks ago they fell apart at the seams against Oak Park and Morton. The Morton game was really a pitiful one as the boys could not cope with the superior brains and brawn of the "supermen" from Cicero.

Highland Park high school's Little Giants will play New Trier as their first opponent in the State Regional tournament to be held Feb. 28-Mar. 2 at Evanston high school. The Terriers of New Trier have whipped the locals twice this year but they had a scare thrown into them when they tangled on the Highland Park floor and this could very well be the chance for the Blue and White to pull the big upset of the year in Suburban league circles.

This year's varsity squad, although losing lots of ball games, has shown plenty of fight and a desire to win if they possibly could do so. They at least will drive in under the basket to try for a score whereas the frosh-soph does not. In fact the only ones driving in under are the opponents of the frosh-soph, all of whom must be either "supermen" or have the will to win the game, much more than do the local boys.

The frosh-soph have Niles, Waukegan and Evanston left to play this season and we ask, "are you guys going to let these teams roll over you just because you are too lazy to play the game as you have been taught?"

Champion Afghan Knitter

Mrs. Paul F. Grove, Sr., of Washington, D. C., recently became undisputed champion afghan knitter of the United States when she completed her 104th afghan in four years. These warm wool coverings were given to the Red Cross for distribution to hospitalized servicemen.
