John and Joe Onesti: Skilled Craftsmen

How's your furniture?
Does it need repair?
Re-modeling?
Need new slip covers?
Curtains?
Drapery?

If you do, you'd be wise to call on John Onesti, 21 S. Second Street Telephone: HI. 2-0582.

Recently, for several thousand dollars, John Onesti bought out his brother. Now John, his likeable son, Joe, and John's daughter, Marion, a senior at Highland Park High, have taken over this upholstering shop and guarantee to give Highland Parkers finer service than ever before.

In Highland Park 30 Years . . .

John Onesti has been in our town over 30 years. During these years he has made many friends and many customers.

His work, I can verify, is excellent.

He can take an old and tattered piece of furniture and make it look like new—better than it looked when originally purchased.

It's good to have skilled craftsmen in town who can take our favorite furniture and make it better, prettier, sturdier.

Four men are on John's staff. Each is trained in the fine art of re-making, re-modeling and re-upholstering furniture.

An Effective Partnership . . .

Twenty-year-old Joe, who someday will be taking over the business, learned his skill from his Dad and in the fine wood-working courses taught at our high school.

Father and son partnerships usually work exceptionally well.

We predict a great deal of success for John and Joe.

And you'll be pleased with the fine work they do!

Communicant's Classes Conducted At Presbyterian Church

Two series of Communicant's Classes leading to church membership for young people from the sixth grade through high school are being conducted during the two weeks preceding Easter at the Highland Park Presbyterian Church by the ministers, Dr. William A. Young and the Rev. Edward W. Greenfield. The young people are to be received into membership on Good Friday evening at the annual Easter Communion service.

The series of three discussions is adapted to two age levels, though the topics are the same for both. Mr. Greenfield, Associate Minister, with Dr. Young collaborating at the third sessions in the two series, will lead the discussions on the following subjects: "The Meaning of Religion," "The Significance of Jesus," and "The Significance of the Church."

Young people from sixth, seventh, and eighth grades will meet at the church at 3:45 p.m. on Wednesday, March 29, Friday, March 31, and Wednesday, April 5. The high school young people will meet at the church for their three sessions at 4:00 p.m. on Tuesday, March 28, Thursday, March 30, and Tuesday, April 4. Special arrangements will be made for those who are unable to attend the scheduled classes.

While the classes are directed toward young people in the church and church school, attendance and consideration of church membership are open to all who may be interested.

McClory States Issues On Republican Policy In Recent Address

Robert McClory, Republican candidate for state representative, was featured in an address before the Deerfield Township Woman's club, last week, at the home of Mrs. Ralph Cleary, Highland Park.

"The principal issues in the current campaign," stated the speaker, "are socialism, bankruptcy and the foreign policy. I do not intend to sponsor nor vote in favor of any program tending to advance the cause of socialism in this state or this nation, nor do I propose to encourage the deficit spending program which the Democratic administration has forced upon us."

"There is little," he continued, "a state representative can do about the foreign policy, but he can strive to check the spread of socialism in the state, and steer the state from the road to bankruptcy."

He emphasized that a definite stand, consistent with Republican principles, must be maintained in the current primary campaign.

Also appearing at the meeting were Hugo L. Schneider Jr., candidate for county treasurer, Gregory M. Sheahan, candidate for county clerk, and Lawrence T. Bristol, candidate for state representative.

United Evangelical Church To Send Missionary To Japan

Realizing its obligation in the field of Christian Missions, the First United Evangelical Church of Highland Park will assume the support of a missionary to Japan, according to announcement made today by Rev. A. G. Masser, pastor of the church. The missionary will be the Rev. Douglass Dawson of Edmonton, Alberta, Canada, who will sail for Japan April 6th as a missionary of the South China Boat Mission.

The South China Boat Mission, as its name would indicate, has been operating for some forty years among the people who spend their lives on house boats on the rivers of Southern China. More recently, in response to the invitation of General Douglas McArthur, the mission has expanded its work to include Japan's fishermen.

Rev. Dawson, who has recently completed intensive special training at the Prairie Bible Institute, Three Hills, Alberta, will visit the church here, during a special series of Missionary Rallies this week.

On Thursday evening of this week, March 23, he will be introduced to the community at a service in which the principal feature will be the showing of sound motion picture entitled "Thy Will Be Done" in which the sacrificial life of a missionary on the field is vividly portrayed. The general public is invited to attend this service which begins at 8:00 P. M.

On Friday evening the young man will be feted at a Fellowship Supper to be given in the church at 6:30 p.m., and at which the congregation will have opportunity to become acquainted with him.

Sunday he will speak both in the Morning Worship Service at 10:45 a.m. and again in the Evening service at 7:45 p.m.

Change Date Of Girl Scout Council

The joint meeting of the Highland Park Girl Scout Leaders Association and the Highland Park Girl Scout Council, which was originally scheduled for March 29 at the Community Center, will be held Tuesday, March 28 at the Lincoln School at 1:30 p.m. At that time, Mrs. Jo Fay Ricketts will discuss "The Association Council." It is very important that all adult Girl Scouts—leaders, troop committee members, and council members—attend the meeting as a vote will be taken on converting to an Association Council. This meeting will take the place of the regular April Leaders Association and Council meetings.

Spring Training For Leaders

A Girl Scout leader training course in elementary and advanced Outdoor and Camping skills will start March 30, from 10 a.m. to 3 p.m. at the Community Center and continue April 4, 6, and 18 from 10 a.m. to 3 p.m. at Sakajawea Lodge, culminating in an overnight Friday, April 21, starting at 4 p.m. at the Lodge. This course will cover such points as firebuilding, simple outdoor cookery, campercraft, nature, and outdoor games, and is open to all leaders, whether or not they have yet taken it or the Basic Training Course. Leaders who are planning to take 3rd grade Brownie troops next fall are urged to attend, and anyone interested in becoming a Girl Scout leader or assistant leader is invited. New leaders are always needed. There will be special training for Day Camp Leaders, and anyone interested in being a Day Camp Leader should contact Deane White.

Hobby Hat Review Coming Activity Of Junior Welfare Workers

Hobby Hat Review, "Top attraction" of the Junior Group of the Highland Park-Ravinla Center Infant Welfare is billed for the coming meeting Monday, March 27, in the home of Mrs. Judson Cross, 2734 South Deere Park Drive.

Prodigious activity is found among the members to concoct milinery creations to represent their particular hobby. Each member is requested to bring as many unused hats as possible, one of which is to be decorated. The hobby hats will be modeled by the Juniors to the comments of Mrs. George Harrison accompanied by appropriate tunes of Mrs. Lawrence Smith at the piano. Popular vote will acclaim the winners.

Competition will be keen, as there is a beautiful spring bonnet offered as a grand prize to the member in all four groups: the Wings, Intermediates, Seniors and Juniors, donating the most hats. Two other spring hats will be awarded to the members in the Junior group creating the cleverest and the prettiest arrangements. Second prizes for the prettiest and cleverest hats will also be given.

Etienne of Highland Park and Frances Heffernan of Winnetka have generously donated two of the prize chapeaux.

Mrs. Stewart Johnston, chairman of the Thrift Shop for the Junior Group, and her co-chairman Mrs. Mark Brown will take charge of the hats at the meeting. The hats will go on sale at the Thrift Shop, 35 North Sheridan Road, across from the Post Office, Tuesday, March 28 for the pre-Easter sale.

Mrs. Robert Walker and Mrs. Carlyle Coash will assist Mrs. Cross, in the morning, and Mrs. Ralph Mack and Mrs. John Kuiper in the afternoon.

Rabbi Edgar E. Siskin will unveil his alter ego, Professor Edgar E. Siskin, formerly associate professor of anthropology at Yale University, at the next Couples Club meeting at 8:30 P.M., Sunday, March 19, at the North Shore Congregation Israel in Glencoe.

Dr. Siskin has chosen the title "Strange People in Faraway Places" to describe his word picture of primitive life in the modern world. He served on the Yale faculty while pursuing his rabbinical duties at his former pulpit in New Haven.
