Sudden thought!

Who's paying those traveling expenses to return our roving diplomats to answer Senator Joe McCarthy's accusations?

Such fast trips are costly, you know.

We'll wager fees for a couple of these trips would defray food and housing costs for some needy vet, and family.

Vote For Hugo L. Schneider, Jr! . . .

Speaking about vets reminds me about Hugo L. Schneider, Jr., that fine young Highland Park who's the Republican candidate for County Treasurer.

Now capably serving as Chief Deputy County Treasurer, Schneider brings sincerity, talent and honesty to the position we hope voters will elect him to on next April 11th's primary election.

Since reaching voting age Schneider has been an active Republican. He served four years in the Army during World War II, seeing active duty in the European theater.

Schneider, his attractive wife and three fine children live in their own home in Highland Park.

Schneider is the kind of young man we need in office.

He brings enthusiasm, alertness, conscientiousness to an important job.

Vote for Schneider April 11th.

His election will help make our county better!

Vote for Gregory M. Sheahan . . .

Gregory M. Sheahan was appointed a Deputy under the present County Clerk, Jay B. Morse, when the latter took office in 1938 and has continued to serve in that capacity through the years. He is now a Republican candidate to succeed Mr. Morse, who is retiring.

Mr. Sheahan was elected Deerfield Township Collector for four consecutive terms.

He is a member of the Highland Park Men's Republican Club, a club which he helped organize.

Experience for this office! Twelve years "on the job" training.

Endorsed by Mr. Jay B. Morse as qualified for a promotion.

Mr. Sheahan, who is a life long resident of Lake County, was born in Highland Park, where he now resides in his own home at 590 Elm Place, and was educated in the Highland Park schools and two years business course at De Paul University.

At Wesley Methodist

The Church School of Wesley Methodist Church will convene at 9:45 a.m. to present a special Easter program under the direction of Mr. Floyd Patrick, Superintendent of the adult department.

At the 11 o'clock morning service Rev. Robert Albertson has chosen for his sermon topic "Our Faith in Immortality". There will be a baptism service and reception of new members.

Potted plants and bouquets of flowers for the altar setting will be welcomed. Those who wish to share them with the church, or place them in memory of a friend or relative, are asked to notify the pastor, Mr. Albertson as soon as possible at HI 2-2269.

The Primary Election

Getting out the vote at the primary election is our most important job. It is appalling to note that in our recent elections about half of our people have turned out to cast ballots. In our two party system, a majority vote of those voting means about one-fourth of the registered voters. Reduced to a percentage basis, this means that our policies are being set and determined for us by about 25 per cent of our people. That cannot be representative government.

People in many nations no longer have the right or privilege to express themselves in free elections. They are now political slaves. Here where we have the right to take part in elections, to cast ballots for those we believe can best serve us, we find an apathy that is truly alarming.

We must get our people to the polls on Primary Day. Here is our first opportunity in the year 1950 to give the world a lesson in self government. The right to vote was won the hard way. Let's not lose it because we are too indifferent to take ten minutes on Primary Day to go to the election polls.

Easter Activities At Bethany Church

Easter activities will begin in the Bethany Evangelical United Brethren Church (Laurel and McGovern) when the Youth Fellowship will sponsor a breakfast in the church parlors at 6:30 a.m. Reservations should be made for this occasion.

There will be one worship service at 11:00 a.m. on Easter Day when the Rev. Lester H. Laubenstein, Minister, will preach on "Facing the Dawn." The vested choirs will furnish special music. Little children will be baptized. Lenten Banks will be presented and placed in the large white cross. Parents may have children under five years of age taken care of in the nursery.

Good Friday night, April 7, at 8:00 p.m. the Chancel Choir will interpret Stainer's Cantata, "The Crucifixion" in which the popular anthem "God So Loved the World" occurs. The Lord's Supper will be served after the musical.

Dr. A. J. Heschel To Speak At Congregation Israel

Dr. Abraham J. Heschel, Associate Professor of Jewish Ethics and Mysticism at the Jewish Theological Seminary, and a distinguished writer and lecturer, will speak at North Shore Congregation Israel on Tuesday night, April 11, at eight o'clock. The Contemporary Club of North Shore Congregation Israel maintains its high average of program excellence and interest by bringing to their next meeting on April 16, Professor Bergen Evans of Northwestern University. Professor Evans has won some additional fame through his television program, "Majority Rule".

The Contemporary Club invites the participation of young, unmarried adults. The Temporary Chairman is Mr. William Kahn of Glencoe. Further information may be obtained by telephoning Glencoe 725.

A Happy Future With U. S. BONDS

Quota For Lake County Cancer Drive Is 17c A Person

Lake county's 1950 cancer fund drive was in full swing today, with 18 communities taking part in it. Quota for the county is \$26,000.

Local postoffice officials are cooperating with the cancer crusade by handling mail addressed with the single word "Cancer." Chairman Baxter explained that all letters addressed in this way are routed to the nearest American Cancer Society office.

Chairman Baxter said that the county quota of \$26,000 represents about 17 cents per person. He was confident that the goal would be reached this year, just as it has been reached in the past two.

What was it worth to call the doctor?

That hurried call you made the night of Billy's critical illness cost only a few pennies. But when the doctor arrived so promptly you knew how much that single call was worth.

There are times when nothing means so much and costs so little as a telephone call—even if it's only to say "hello" to someone near and dear.
