NATIONAL PRESS BUILDING WASHINGTON, D. C.

By Anne Goodie

To prolong the life of linens, rotate their use. As towels, sheets, tablecloths come back from the laundry, place them underneath those still left on your closet shelf. If you do your own, don't iron creases and folds in the same place each time and be careful not to make razor-knife folds.

When next you serve sliced cheese, tomatoes or egg sandwiches, spread the bread with a mixture of 1/4 cup vitaminized margarine blended with 2 teaspoons minced onion. For hamburgers, bologna and frankfurters, try 1/4 cup vitaminized margarine blended with 1 teaspoon mustard-with-horseradish. Are enough for 12 slices of bread.

Eggs are cheaper than they've been in a long time. And an ingenious menu-maker will keep in mind the many delicious main dishes the mighty egg can make - souffles, omelets (in all their variations), fondues, deviled eggs, baked eggs, creamed eggs, egg cutlets, eggs Florentine, eggs a la Benedict - to mention a few.

Does every wash day leave you with several odd socks - a blue, a green and a yellow? No amount of sleuthing seems to unearth their mates! So the next best thing is to remove all the color, and dye them to match with an all-purpose dye.

To clean copper pot bottoms—or any copper, for that matter—dip a lemon wedge in salt and rub the copper surface until it shines like new.

Let old acquaintance be forgotten, “and never brought to mind”, disabled veterans of two world wars have fashioned the crepe paper memorial poppy in remembrance of their fallen comrades. The American Legion auxiliary will distribute them on Poppy day. Take one, and wear it proudly . . . in memory of one who was dear to you.

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held in the Council Chamber in the City Hall, City of Highland Park, Illinois, Tuesday, 9th day of May, 1950, at 8:00 o'clock P. M.

Said public hearing will be conducted by the undersigned Zoning Committee for the City of Highland Park, designated and appointed by the City Council of the City of Highland Park for that purpose to consider applications on the following matters:

Application dated March 2, 1950, of the Hotel Moraine on-the-Lake for special permit, under the provisions of Section 14 of the Highland Park Zoning Ordinance of 1947, to extend the Hotel facilities by the installation of a pavilion with a swimming pool and cabanas.

Application dated March 20, 1950, Nelson Motor Sales, a partnership, for the re-zoning of Lot 17 of the Business Addition to Deerfield Villa from its present classification of “A” — Country Estate, to “G”—Outlying Business District.

At the said public hearing an opportunity will be afforded to all persons interested in the matters above mentioned to be heard in relation to same.

World War II Vets To Receive Second Dividend In 1951

The Veteran's Administration is looking ahead to the payment of the second dividend due to some World War II veterans in 1951, according to a bulletin received by Ray Suzzi, Service Officer of the Highwood Post, American Legion. This dividend will cover a 3 year period 1948-1951; after that distribution it is believed that insurance stabilization will be complete, and that future dividends, if any, will be paid on an annual basis.

But expired or lapsed policies will not share in future distribution of surplus; only those policies extending beyond 1948 anniversary date will get a share in 1951.

Amount of dividend will depend on the death rate for the period. It has been pointed out that a severe epidemic with high mortality rate could quickly deplete the surplus. Average or low mortality rate would indicate a cut of something near \$200 for each \$10,000 policy during the 3 year period.

Mr. Suzzi also states that instructions and the necessary forms for special insurance dividends in death cases have now been released for the convenience of the proper claimants in the collecting of NSLI dividends which are due the veteran on the date of his death.

It is quite apparent that the dividends now due will be paid to the primary beneficiary of record even though the insurance was paid in a lump sum and the VA does not have the current addresses of all such beneficiaries. The payment in these cases will be automatic.

Further information and assistance may be secured by calling Mr. Suzzi, HI. 2-4279.

Modern Home Equipment At Chicago Home Fair

At the Greater Chicago Home Fair in Navy Pier, May 13-21, Fairgoers will see the first public showing of its kind ever held here, a stage show called “Miracles for Modern Living” featuring an array of revolutionary new home equipment and building products.

Home Fair director Paul S. Van Auken yesterday announced that the spectacular 45 minute stage show will be devoted exclusively to home products which serve completely new purposes or differ widely from those heretofore available.

OBITUARIES

Knickerbocker

Funeral services for Edgar Knickerbocker, 65, who was taken by death on Monday at the Waukesha Memorial hospital, were held in Waukesha, Wisconsin. Burial was in Prairie Home cemetery, Waukesha.

Mr. Knickerbocker and his wife, Nell, who survives him, moved to Delavan, Wisconsin last November from 742 Deerfield road, Deerfield, where they had lived for five and one-half years.

Mr. Knickerbocker had worked as a lintotype operator at the Singer Printing Company, Highland Park.

Myren

On Thursday, April 20, Hilmer Myren, 58, passed away at his home, 245 Western avenue, Highwood, after a brief illness.

Born on May 20, 1892, he lived many years in Highwood. Funeral services were conducted on Sunday, April 23, at 2 p.m. at the Seguin Chapel, North Second St. Interment was in Mooney's cemetery.

A brother, George, of New York, survives.

Honor the dead and cheer the living heroes of two wars by wearing an American Legion auxiliary poppy on Poppy day. These bright red poppies are a tribute to brotherhood—a memorial to courage—and a practical way to help our disabled to help themselves.

There was a time, not long ago, when the veteran's sacrifice meant security to you. Today the red paper poppy you wear on Poppy Day means security in him. So when you see the volunteer poppy ladies of the American Legion auxiliary, meet them more than halfway. Give for Them, who have given for you.

Home Builders To Sponsor Chicago Home Fair

A Greater Chicago Home Fair, sponsored by the Chicago Metropolitan Home Builders Association, will be held May 13 to 21 at Navy Pier. Under the direction of Paul S. Van Auken of Chicago, it will be the largest home show ever held here.

All phases of home planning, financing, construction, equipping, interior decoration and furnishing will be represented in the gigantic exposition. One of the outstanding new attractions planned is the Association's budget house for 1950. Especially designed for the Chicago area, a full size model of the house will be built and furnished during the Fair.

Chicago Fair Of 1950

One of the major exhibits at the Chicago Fair of 1950 will be undertaken by Public Service Company of Northern Illinois and three associated electrical utilities serving Chicago and Northern Illinois, it was announced today by Britton I. Budd, Public Service president. The utilities which will jointly sponsor the exhibit with Public Service Company are Commonwealth Edison Company, Western United Gas and Electric Company and Illinois Northern Utilities Company.

“There's a long, long trail a-winding” for most of those disabled veterans who have not yet won a hard-earned chance at their dream of postwar living. The American Legion auxiliary poppy which you wear on Poppy day will ease the climb and gladden the wayside for them. Give—as generously as you have received.

“This is the first opportunity the general public will have to view these marvels of modern living,” he said.

Public Service To Issue Bills By Post Card

Beginning next month, local residents will receive their gas and electric bills by postal card in place of the present envelope-enclosed bill form, it was announced today by J. C. Leach, district superintendent for the Public Service Company of Northern Illinois.

Change to the new postal card bill—designed to help offset a continuing rise in operating costs—was authorized recently by the Illinois Commerce Commission. Use of the new postal card follows a scheduled revamping of the automatic billing machines which print the monthly service bills. Leach said the new type bills would go to all residential and most commercial gas and electric users.

As of last month, the Public Service Company was serving about 450,000 electric and 230,000 gas customers in 350 northern Illinois communities across a 6200 square mile area. All but about 5,000 of these were classed as residential, rural, or small commercial users. The change to postal card bills for these groups of customers will reduce billing costs by a substantial amount annually, Leach said.

“It is another move in our continuing program of economy to help offset rising operating costs,” he said, “and is necessary if we are to keep on giving the best service possible at the lowest rates possible.”

It is estimated that over twelve million postal card bills for utility services are now being issued in the United States and the number is increasing steadily. In addition, many municipalities are sending water bills on a postal card form.

National Care Week

National CARE Week will be celebrated throughout the country from May 1 through May 7.

Special events in the Chicago area will be part of the nationwide programs planned to highlight the various services through which Americans have sent over \$100,000,000 worth of CARE aid—in the form of food and textile packages and new books—to the people overseas in the past four years.

While the need for CARE in Europe continues to be stressed, CARE Week will also emphasize the non-profit agency's current expansion in Asia and the Far East. Besides present service to the Philippines, Japan, Okinawa, Korea and Pakistan, contracts signed recently will open CARE deliveries, within the next few weeks, to India, Ceylon, Jordan, Burma and Siam.

Girl Scout News

by Mrs. R. L. Diemer
The Brownies of Troop 23 of the Elm Place school and their leaders, Mrs. Orin F. Spalding and Mrs. H. G. McMullin took a nature hike to the home of Mrs. F. E. Dubach, also a leader, last Wednesday, and on to the High School where Mr. McMullin, biology teacher, showed them a display of birds.

Brownie Troop 46 of the St. James school recently visited Oak Terrace playground. They decorated Easter eggs under the direction of Mrs. James Meehan, and have been learning to knit with the help of Mrs. Richard Roach.

A movie about South America, was shown at the Elm Place school auditorium last Thursday to Girl Scout troops 19, 9, 33, and 34 from Elm Place school, Troop 41 from St. James and Brownie troops 28 and 38 of the Green Bay school. Scouts from other troops, working on the World Trefoil Badge, also attended. Before the movie there was a brief Court of Awards, and First Class Badges were awarded by Deane White to Iris Meitus, Peggy Lennox, Nadine Nellis, Jean Swanson, and Sharon Witten, Troop 33, and Linda Ceperly, Cookie Anspach, and Cynthia Langdon from Troop 9. Girls receiving the World Trefoil Badge were: Troop 19; Patty Swan, Joan Holloway, Michelle Wizner, Marilyn Tippey, Jill Allen, Melissa McClure, Sandra Hines, Joan Parker, Troop 33; Peggy Lennox and Iris Meitus.

The May meeting of Scout leaders will be held May 3 at the Community Center—at 1:30 p.m. Every leader is urged to attend.

The Brownies of Troop 26 of West Ridge went to the Girl Scout Lodge this week for a bird and flower hike. Recently, they visited the Highland Park Fire House where the Fire Chief demonstrated the equipment. Six girls in the troop are getting ready to “Fly-up” this spring.

The Girl Scouts of Troop 8 of West Ridge finished work on Troop Dramatics and Players Badges with a trip to the Goodman Theater, April 16, to see “Aladdin and His Wonderful Lamp”.

The troop will plant a tree at the school in memory of their late teacher, Mr. Wagner. They are working on the Tree Badge, and plan to visit the Morton Arboretum this spring.

Though keyed to the year-round program, a special check will be made of responses received during CARE Week. Orders or contributions, ear-marked for packages or for books, can be sent to 189 West Madison Street, Chicago 2, Illinois.
