Baldrini Elected Co-Captain Of Baseball Squad

The varsity baseball squad at Illinois State Normal university met recently and elected Dick Baldrini and Bob Zubeck as co-captains for the current season.

Baldrini, a senior from Highland, is the regular Redbird left fielder. He will be one of the few ISNU athletes to win more than 10 varsity letters while in school. A regular since his first year in football, basketball and track or baseball, an award for the spring season on the diamond will give him a total of 11 "N"s. Baldrini was also the recipient of the William McAndrew football award for 1949. This is given annually to the most valuable gridders in the Illinois Intercollegiate Athletic conference.

Bradley Football Team To Have Toughest Schedule In History

Bradley university's 1950 football schedule, with approval of the faculty athletic committee for a Thanksgiving Day game with California Poly at San Luis Obispo, Cal., has been completed. Athletic Director and Head Football Coach, Art Bergstrom announced recently.

The addition of California Poly on November 23 will give the Braves a 4,000-mile trip, since Bradley had already been scheduled for a November 18 game with the University of New Mexico at Albuquerque.

"Our 1950 football schedule is unquestionably the toughest slate in Bradley history," said Bergstrom, whose Braves won five and lost five last season and finished sixth in the Missouri Valley conference race.

Bradley will launch its campaign with traditional opening-game foe Ripon of Wisconsin on September 23.

The Braves will then meet Colorado State, Bowling Green, Wichita, Toledo, Tulsa, Drake, Wayne and New Mexico on successive weekends.

Three of the home games—Ripon, Colorado State and Tulsa—will be played at night. The other two—Toledo and Wayne—are scheduled for the afternoon.

Toledo will be the Braves' Homecoming foe on October 21.

Little Giant Baseball Team Breaks Even In Four Games

The Highland Park high school baseball team defeated their Lake County rivals, the Waukegan Bulldogs, in a Suburban league contest by a 2 to 1 score last Tuesday on the local diamond.

Striking hard and fast the Blue and White scored their runs in the third inning as Dean was out at first, Fiochi singled, Tuttle drew a walk and both runners advanced on a passed ball, Ponsi singled to drive in Fiochi and Tuttle, Schweiger was out on a pop up to the short stop, Bagatti grounded out to third.

The Waukegan run came in the seventh inning and Fiochi had the stuff to halt the scoring threat by striking out the last man.

Both pitchers did a fine job and the Blue and White got 6 hits while the Bulldogs collected 7 hits off Fiochi.

McMaster Pulls Double Play
The finest fielding play of the game came as McMaster grabbed a hard liner just inside the first base bag and beat the man who had occupied first back to the bag in time to make an unassisted double play.

On Monday the Blue and White travelled to Niles where they took a 17 to 10 win, scoring in every inning and taking a 12 to 0 lead before the second team took over to give coach Grover a couple of new gray hairs before the game was ended about 7 o'clock.

In this game Bill George did a fine job during his stay on the mound while Bench and Moore found the going slightly rough.

Last Saturday the boys really played Santa Claus as they handed two games to the Proviso ball club in a double header played on the Maywood teams field on a cold rainy day.

Both Fiochi and Bagatti pitched beautiful ball but failure of the team to hit in the clinches and very ragged work on the field spelled defeat by scores of 3 to 2 and 5 to 4, both games going into extra innings.

In both games the local boys enjoyed 2 run leads only to blow them with errors.

This Saturday, May 6, the Blue and White team will play host to Oak Park for a double header with game time being 1 p.m.

On Tuesday, May 9 the boys will play a return game with New Trier on the local diamond and hope to avenge the 2 to 1 setback suffered earlier in the season.

Poppies Bring Aid To War Disabled

How disabled veterans of both wars are aided by Poppy day contributions was described by Mrs. Eggert Carlsen, Rehabilitation chairman of Highwood Unit No. 501 of the American Legion auxiliary, as the auxiliary continued preparations for the observance of Poppy day here, Saturday, May 20th.

"The dimes, quarters and dollars which people contribute in exchange for the memorial poppies form the backbone of the financial support for the extensive activities carried out constantly by the Auxiliary for the welfare of the disabled veterans," Mrs. Carlsen said. "If it were not for the generosity of the millions of people who wear the little red poppy each year in memory of the war dead, the many services of the Auxiliary to the living victims of the two wars could not be carried out."

"Poppy day contributions are used to bring comfort and cheer to disabled veterans in the hospitals. They provide aid for disabled men outside of the hospitals who are having difficulties in reestablishing themselves economically. They help care for the children of disabled veterans while the veterans are under going hospital treatment. They pay the wages which mean so much to the veterans who make the poppies. The coin dropped into the collection box of the Auxiliary volunteer on Poppy day works for the disabled veterans throughout the year."

Mrs. Carlsen will distribute poppies on Poppy day with other Auxiliary members and volunteers from other organizations.

"It will be tiring, unaccustomed work, but I feel it is just about the most worthwhile work I can ever do. It keeps fresh the inspiring memory of the war dead, and brings aid to those stricken defenders of our country who are still within the reach of human help."

Last Poppy day, May 1949, the unit collected a total of \$182.32 for poppies, and for the period from June 1949 to March 31st, 1950 a total of \$285.07 was spent for rehabilitation and child welfare, which includes \$50 for the poppies. The unit sponsored birthday parties and dances at the veteran's hospital at Downey, furnishing refreshments, and cigarettes. Also from this fund the unit donated money for the Insulin, yaponerfrin, hospitality funds, for Christmas and Easter gifts, craft shop for maintenance and salary for a veteran, cigarettes, and the treasure chest which supplies the non-compensated veterans candy, gum, cigarettes and other treats.

"Since the funds from poppy days were not sufficient, the unit sponsors all games parties, and the net proceeds have been used for this welfare work," states Mrs. Carlsen.

To the disabled veteran, the war widow and orphans you pass on the street, the American Legion auxiliary poppy you wear on Poppy day is a heartwarming message of thanks in the spirit of him who said, "Inasmuch as ye have done it unto the least of these, my brethren, ye have done it unto me."

Vets Should Have Discharge Recorded

"Do you have your discharge recorded in the county court?" Mr. Ray Suzzi, service officer of the Highwood post, American Legion, asks the veterans as they come to him for any assistance. He discovers many have not taken care of this very important matter. This applies to World War I and II veterans. Just recently a veteran passed away, his discharge has been lost, no record of it has been made, therefore making it almost impossible to be of any help to the family. An application "In Lieu of Lost Discharge" can be filed, but even then the serial number must be had. "So if you haven't recorded your discharge at the county court, please do so right away," urges Mr. Suzzi. There is no charge for this service.

Fashion Prevue And Luncheon At Villa Moderne, June 2

"A Prevue of Summer Fashions" is expected to attract a capacity crowd to the Villa Moderne 12:30 p.m. Friday, June 2. Sponsored by North Shore Woman's American ORT, the luncheon and afternoon showing of appropriate Chicago and Suburban Summer wear will feature the fashions of one of the leading woman's apparel shops in the country.

With Summer just a short breath away the Prevue is fortunate in having as commentator one of the youngest and most able style experts in the merchandising field, who is well qualified to divulge much news concerning this year's trend in design, material, length, sleeve treatment, and skirt widths. Well-known Chicago models will sport the very latest in casual wear, beachwear, sportswear, summer formals, and dressy afternoon frocks, against the setting of suitable duo piano music supplied by two talented Highland Park musicians, Mrs. William Lytton and Mrs. Lawrence Simons.

Mrs. Egmont Sonderling, Glencoe, Chairman of the Day, announced that the fashion theme will be further supplemented by Mrs. Isadore Simon of Winnetka, acting President of Chicago ORT Region, who will give a short talk on "ORT in Fashions". Assisting Mrs. Sonderling is Mrs. M. Jaffe of Glencoe, Program Chairman, Mrs. Hiesler, Social Chairman, and Mrs. W. Klevs, Ticket Chairman, both of Highland Park.

Nora was raw and untrained but Mrs. Vanderbux hired her as a maid anyway, maids being as hard to get as they are. Nora listened to her instructions on the first day and was told that every morning at 11 o'clock she was to bring her mistress some milk.

The next morning Nora carried in the milk, holding the glass in her hands. Mrs. Vanderbux indignantly told her, "For mercy's sake, girl, bring the milk to me on a tray!"

In five minutes, Nora was back, gingerly balancing a tray full of milk. "I forgot to ask you, ma'am," she apologized, "do I bring a spoon with this or do you lap it up?"

A man with a worried look walked into the office of the rent control administrator and asked if anyone could tell him who his landlord was. Said a clerk, "Your landlord is the man you pay rent to."

"I don't pay rent," said the man. "About ten years ago I found a vacant house and moved in. I've been living there ever since without paying rent."

"Well then, what are you worrying about?" asked the clerk. "You have no complaint."

"I sure have!" answered the man hotly. "If somebody don't fix the roof, I'm going to move out."
