You'll Be Proud of Our Improved Hospital And Random Notes

"... the largest sum ever raised for any civic purpose on the North Shore!"

That's what Highland Park's Hospital Fund is, the PRESS was told last weekend.

And last weekend a party was given for civic-minded Howell Murray, in tribute to his leadership, and to his helpers who did as much to help raise the \$765,000 for badly needed improvements and additions at our hospital.

More money is still required to complete the huge task. But officials are confident this additional amount will be raised. In the meantime a mortgage will pay for the labor and supplies not covered by the \$765,000.

Tribute To All Donors...

A beautiful testimonial book was presented to Mr. Murray as a formal presentation of the hospital's new therapy department which will bear Murray's name.

The party, in reality a tribute to all donors interested in making Highland Park's Hospital outstanding, was given at the home of Frank F. Selfridge, President of the Hospital Foundation....

Random Notes....

Scouts report Liz Taylor Hilton bought \$14,000 worth of China at a loop department store recently...

Congratulations to Fred Schweiger, Jr.!

His West Point appointment is a big honor.

He'll do a great service to his nation if he's able to put peace ideas into the minds of his military-minded fellow students and professors!...

Highland Park friends of Franklin Lunding, boss of Jewel Tea, are happy about his new job—director of Lever Brothers Executive Committee.

We think Lunding is being groomed for one of the No. 1 jobs of American industry.

You guess which one!

Have you been noting Jewel's upward sales trend lately?

The regular monthly meeting of the Ravinia Auxiliary to the Chicago Commons Association will be held Friday, May 26 at 1:15 at the home of the Secretary, Mrs. Walter M. Lillie, 731 S. St. Johns Avenue. As always, a dessert-luncheon will precede the business meeting and the sewing hour. It is also making a number of attractive baby sacks for maternity outfits for mothers who cannot afford

to buy them and have no time to make them. The local Group is gradually increasing in active membership, but there is still room for interested women in the community.
