Revised Gettysburg Address (Selby, S.D., Record)

One score and sixteen years ago, our fathers brought forth upon this nation a new tax, conceived in desperation and dedicated to the proposition that all men are fair game. Now we are engaged in a great mass of calculations testing whether that taxpayer or any taxpayer so confused and so impoverished can long endure. We are met on form 1040. We have come to dedicate a large portion of our income to a final resting place with those men who here spend their lives that they may spend our money. It is altogether anguish and torture that we should do this. But in the legal sense we can't evade—we cannot cheat—we cannot under-estimate this tax. The collectors, clever and sly, who computed here, have gone far beyond our power to add and subtract. Our creditors will little note nor long remember that we pay here, but the bureau of internal revenue can never forget what we report here; it is for us taxpayer, rather to be devoted here to the tax return which the government has thus far so nobly spent. It is rather for us to be dedicated to the great task remaining before us—that from these vanishing dollars we take increased devotion to the few remaining; that we here highly resolve that next year will not find us in a higher income bracket. That this taxpayer, underpaid, shall figure out more deductions; and that taxation of the people by the Congress, for the government, shall not cause our solvency to perish.

Dr. Edgar E. Siskin's sermon topic is "Confirmation's Purpose". Sixty-two children will be confirmed at the Confirmation Service on Sunday morning, May 21, ten o'clock. This Friday is the Sabbath eve immediately preceding Shavuot, the Festival of the Wheat Harvest and the Festival which commemorates the giving of the Ten Commandments on Mount Sinai.
