WHO WANTS TO WAIT 'TIL THEY'RE UNLOADED?—These youthful residents of Mooseheart, Ill., the "Child City" operated by the Loyal Order of Moose, didn't believe in wasting time when a truck-load of watermelons arrived from a Southland lodge. They climbed aboard and cut themselves a slice even before the truck stopped.

Waukegan Merchants Football Team To Hold First Practice

The Waukegan Merchants Football team will begin its fourth year of operation, Tuesday night, July 25, at 7 p.m. at a called meeting of all players, at Weiss Field, Waukegan, Ill. Official practice will begin at Weiss Field, August 1. All players interested are invited to try out for the 1950 Merchant team according to Jack Emerick, business manager of the squad.

Moose Governors On Way Toward Winning Title

Last Sunday afternoon the Loyal Order of Moose crack team, known as the Moose Governors, from Highland Park, copped all the honors by winning three games in a row. First they defeated an All-Star team from Kenilworth by the score to 6 to 1. This game was a real exhibition of outstanding defensive prowess by both teams, but the Moose big guns overpowered the visitors in the hitting department.

Next the Governors toyed with the Junior team and trounced them to the tune of 28 to 7. In the feature and final game that followed an intermission the Governors tangled with the Waukegan Moose team and trounced them by an 8 to 1 score. Rudy Freimuth starred on the mound and at bat and kept the game on ice after the third inning when the Governors took a good lead.

Our local Moose lads have been playing a terrific game of 16 inch baseball in their first year together. They have now played 43 games this year and have lost only three times. On no occasion have they lost a game when their entire team was on hand for the fracas. Many of their members play with other teams in the vicinity and the Moose team occasionally will suffer when schedules conflict.

When the Martin Jewelers tussle with our local lads in Highwood on August 6 at the Highwood Charity Ball Game (proceeds to Hospital) the incentive to win will be multiplied because the winner will play in the afternoon feature with the famed Kool-Vents from the Windy City league in Chicago. Lew Yacilla will be on the mound for the crack Chicago team and it is to be made known that this is the outstanding 16 inch-team in this area. (Professional).

The Moose Governors have recently annexed the first round of play in the Highland Park class A league which assures them of at least being in the playoffs for the City Championship this fall. If they win the second round they will automatically win the title and will meet an All-Star team in September.

"This is an emergency!" "Operator! Please help me!" Illinois Bell telephone operators get many such urgent appeals for aid. In Chicago alone, people in distress call the operator for help more than 1,000 times a week—every ten minutes of the day and night! An accident in the home... a sudden illness... perhaps some other emergency. When trouble strikes, many people turn automatically to the telephone operator—their only link to the outside. Through training and instinct, the operator acts fast in emergencies. Many times her speed and initiative have meant the difference between life and death. It's comforting to know she is always within arm's reach when you need her—not only with operator service, but with dial service, too. Her reassuring voice will answer whenever you dial "operator." Your everyday, practical use of the telephone makes every hello "a good buy." And when you consider the priceless help of the operator in time of peril, you begin to realize how really valuable your telephone service is.
