Little Giant Varsity Crushes Wells 19 to 6 For First Win Since '48

Highland Park's Little Giants chalked up their first grid victory in over a year last Saturday as they smashed Wells High school of the Chicago Public League 19 to 6 in the curtain raiser of the 1950 season on the local field.

The Blue Raiders of the near Northwest side of Chicago took advantage of Highland Park's shaky start by recovering a fumble. Wells' quarter back then faded back and chucked a 47 yard aerial to Stewart, their lanky end, who out raced our secondary to score. Dixon's try for conversion was blocked.

Midway in the first period Dom Turcki paced the Blue and White attack downfield but it was stalled and it took Joel Davis, the defensive star of the game to set the Little Giants back in the drivers seat as he recovered a Wells fumble on their 19 yard marker. Franko Picchietti banged the ball over in 3 tries, hitting pay dirt from 6 yards out. On the try for conversion Bill Rogan faked a drop kick and flipped a pass to left end Walt Benson in the end zone for the point.

Highland Park tried to get another attack going but they lost the ball on a fumble on the 7 after a 68 yard march, but again luck was on the side of the Blue and White and Davis was the hero. Ball of Wells, attempting to pass from the 9, flipped a lateral to Stewart the end, but Nick Gugliemi, came from nowhere to deflect the ball into the end zone where Davis fell on it for a touchdown.

The Little Giants' final tally came midway in the third period when a Wells kick was blocked on their own 35 and a roughing penalty gave the Blue and White the ball on the visitors 13 yard stripe. Two plays later Franko Picchietti skirted end for 6 yards and his second score of the day.

Saturday Coach Dave Floyd's crew will start the league season when they travel to Oak Park to take on the strong Oak Park Huskies.

Alert, Hard Charging Frosh-Soph Team Batters Wells In Opener 41 to 13

Highland Park's Frosh-Soph football team opened the 1950 season in flying style last Saturday by routing Wells of the Chicago Public School League 41 to 13 on the local field.

It was the first game of the season for the boys from the near north side of Chicago and Coach George Grover's "Junior Giants" made it a crushing defeat by playing heads up football both on the offense and defense.

Wells got off to a good start, thanks to the Blue and White's opening game jitters, and were able to turn a fumble, a long pass and two line plays into a score and a 7 to 0 lead at the end of the first period.

The Blue and White small fry got the ball rolling in the second quarter and didn't stop until they had crossed the goal line three times in the second quarter.

The first tally came on a 17 yard scamper by quarter back Harold Freberg after a long down field march. Midway in the period a blocked kick set up the second score with big John Gould driving for 6 yards and the score. The final touchdown came with 45 seconds remaining in the half as Bob Henschliff made a beautiful catch of an equally beautiful pass by Freberg and raced over untouched.

The Blue and White took over where they left off in the first half after Henschliff returned the opening kickoff 27 yards. Gould, Guentz and Walker teamed up to pull Highland Park to the Wells 4 yard stripe where little "Scotty" Walker hit pay dirt. The Little Giants added two more scores over the fading and poorly organized Blue Raiders and added insult to injury as they nailed Booker, the visitors giant negro fullback, in the end zone for a safety.

Gould made good on three of his attempts for the extra point via the place kick.

This Saturday Coach Grover's charges will get a taste of real football and more can be said then as to how good or how bad the team will shape up in the Suburban conference this year as they tackle the big Oak Park frosh-soph aggregation.

Bus transportation to Oak Park will be provided for the fans at a nominal cost.

The curtains had shrunk—and guests were coming!

That was the household crisis facing Mrs. Victor Yablong of Chicago.

She had washed the curtains because she wanted everything at its best. But her heart sank when she rehung them. They were inches too short!

"With so much to do and so little time," Mrs. Yablong says, "I was feeling mighty blue.

"Then, I reached for my telephone.

"I called the personal shopping service of a department store, and

they sent me some new curtains, just like I wanted — and in time for the party!"

No doubt this is one reason Mrs. Yablong agrees that telephone service is a big bargain for busy housekeepers.
