

Oak Park Scores Early To Rout Little Giants By 39 to 6 Score

by Bill Kiddle

Oak Park's varsity gridgers moved into high gear in the first half last Saturday and ran up 32 points to coast to a 39 to 6 victory over Highland Park's Little Giants on the former's field.

The Huskies scored twice in the opening period the first coming when Domiani, their big right tackle, intercepted a short pass by Bill Rogan and lumbered 20 yards to pay dirt. The Huskies second count came as scabbard Johnny Clark grabbed a Rogan punt on his own 35 and raced 65 yards right down the side lines to score.

Oak Park alternated their first and second strings in the second period and with stand-out quarterbacking by Roy Ellis they rolled up three more tallies and a 32 to 0 lead at the half.

In the second half Oak Park sent in their reserve team and the rejuvenated Little Giants battled them on even terms in the scoreless seesaw third period.

Midway in the final period with Paul Jones and Frank Picchietti sparking the attack the Little Giants cut deep into Huskie territory only to lose the ball on downs. Highland Park, however, was not to be denied, as Enjin pounced on a Huskie fumble back on their 14 yard strip. Jones set up the score as he banged the ball down to the 1 yard marker in 2 cracks at the line with Picchietti hitting pay dirt on a line plunge. Rogan's drop kick for the conversion was short.

With just a few minutes left on the clock the Oak Park reserves started a drive but the Little Giants line stiffened and it took the regulars to ring up the final score with R. Ellis cracking into the end zone on a quarterback sneak.

This Saturday Coach Floyd's crew will take on the potent Evanston grid machine (the defending Suburban League champions) on the local field.

Summary: Oak Park-39 Highland Pk.-6. W. Ellis LE Benson, Jaenicke LT Enjin, Falls LG Pizzato, Settnick C Reitz, Spirison RG Herz, Damiani RT Rosenthal, Ebert RE Baldwin, R. Ellis QB Rogan, Clark LH Jones, Trout RH Picchietti, Moses FB Turcki.

Scoring: Oak Park 13 19 0 7, Highland Pk. 0 0 0 6.

Touchdowns—Oak Park, Domiani, Clark, Trout, Kolan, Groves, R. Ellis—Highland Park, Picchietti. Point after Touchdown—Oak Park, Ebert (3).

Frosh-Soph Gridgers Bow To Oak Park-13-0

by Bill Kiddle

Oak Park High school's frosh-soph football team punched across touchdowns in the second and fourth quarters last Saturday to down the Highland Park Little Giants 13 to 0 at Oak Park. The Huskies' victory was netted on rugged line play and heads up football.

Coach Groves boys' defense was strong, highlighted by two fine goal line stands, but on offense the rushing and passing attack could not get clicking due to very poor blocking, both in the line and downfield.

Oak Park took advantage of the Blue and White's lack of blocking in the second period by dropping Guentz, who was attempting to punt from the 10 yard line. Two plays later a hook pass from Reno to Kinnen netted the Puppies a score. The Huskies other score came on a recovered fumble and a 52 yard march, ended by a 7 yard slash by their left half.

Saturday Highland Park's gridgers will play host to Evanston's defending Suburban League frosh-soph champions on the local field. Kickoff time for the first game will be at 12:15 p.m.

Summary: Oak Park-13 High'd Pk.-0. Kinnan LE Hinchsliff, Cork LT Bock, Christenson LG A. Signorio, Turner C Antes, Joslin RG Ori, Ruby RT Klingler, Lehwald RE Tyson, Reno QB Freberg, Murphy LH Walker, Hastings RH Guentz, Frazer FB Gould.

Scoring: Oak Park 1 2 3 4, Highland Pk. 0 0 0 0.

Touchdowns—Kinnan, Murphy. Point after touchdown, Cork.

City Council News

A petition signed by twenty-five residents living in the vicinity of the Highland Park High school athletic field was filed by the City Council Monday night. The petition protested against non-school activities on the athletic field during the summer months, because of noise and damage done to streets by the number of cars.

A letter stating that storm sewers on St. Johns avenue, Sheridan road and Sheridan place become clogged during a rainstorm was referred to Dept. of Streets A. C. Beck. A complaint on faulty sidewalks on Laurel avenue and Second street was referred to Paul C. Behanna, Corporation Counsel.

Bids for repair construction at the City waterworks, voted by the Council, will close October 23.

Dissatisfied with trees planted by Quigley and Schneider, Highland Park, on a parking lot installed by them on First street, the Council voted to deduct \$600 from the bill of \$1313 presented. A bid of \$11,000 from L. C. Larkin Company of Chicago for a street grader was accepted.

An ordinance was adopted ordering two water meters for residences with sprinkling systems. A two-hour parking sign was ordered placed at Hines Lumber Company.

An ordinance was filed demanding that all cars belonging to one taxi cab company be of the same color.

Maria Anna Santi Guest Performer At Commons Tea

Miss Maria Anna Santi, Highland Park singer of great promise and talent, will be featured tomorrow (Friday) at a tea to be held at the home of Mrs. William H. Savin, 2333 Lakeside place.

Miss Santi, a dramatic soprano, will be accompanied by Mrs. Virginia Schur. The tea will open the fall activities of the Ravinia auxiliary to the Chicago Commons Association.

THE SPORTSLIGHT

BY WILL SCHLICHTING

Those Highland Parkers who wish to follow the high school football team and lend some much needed moral support will be offered the opportunity for the remaining two games away from home, namely Waukegan and New Trier, by the Deerfield Bus Company. Anyone wishing to go to Waukegan on Oct. 21 or New Trier on the 28th may make reservations at the Press office. The price for the Waukegan trip will be 50 cents round trip and New Trier 35 cents round trip. The bus will leave Waukegan road and Deerfield avenue in Deerfield at 11:15 and depart from Central avenue and 1st street, Highland Park at 11:30 for both games.

We hate to admit it but one can not get away from the facts. It has been our belief that the size of a school should not necessarily make it weak in sports. But as far as football is concerned at Highland Park high the Suburban league is just too tough and the odds too great against the game lads who go out on the field, without much moral support from students or townspeople to take terrific beatings week after week. So after three years of insisting that the Little Giants could hold their own in football, we bow our head to the wiser ones who have been saying, "Highland Park should be in a league consisting of schools its own size."

Oak Park, we understand, had 130 boys out for freshman football. That's more than the entire number out for football at Highland Park (freshman, frosh-soph and varsity combined).

The line play of Benson, Cronkite, Pizzato (until he had to be removed from the game with a bad ankle), Herz, Rosenthal, Baldwin, Enjin and Reitz stood out for the varsity while Hinchsliff, Bock, Signorio, Antes, Ori, Klingler, Ty-

son and Ross stood out for the "small fry."

The freshman team, which incidentally had 19 out for practice Monday night (a long cry from Oak Park's 130), will play 4 games in two weeks. Dates will be given next week.

Tom Smith, sophomore guard on Northwestern university's football team, never played 11-man football before enrolling in college last fall. His high school at Fleischmann, N. Y. played the six-man variety due to limited enrollment.

Northwestern university has had but four football coaches since 1922. Prior to that, 14 coaches had directed the Wildcat football destinies. The longest coaching tenure was held by Lynn Waldorf who was in charge for 12 years before resigning to go to California.

If you want to see what is probably the hottest football team in the state today, come out to the local field and watch the Evanston Wildkats try to hold down the score on the Little Giants. They are reported to be "really good."

Proceeds Of DAR Party To Aid Southern Schools

The North Shore chapter of the Daughters of the American Revolution held its annual card party and benefit for 300 members and guests recently in the ballroom of the Moraine Hotel.

From the table on the west wall French pastry, tea and coffee were served preceding the party. Mrs. William Gartside and her committee were in charge of table arrangements. The stage of the ballroom was decorated by Bahr Florists and local merchants donating door prizes were Fell's, Garnett's, Chandler's, Chas. and Edgar Stevens, Ace Hardware, and Williams Florist. Marshall Field and Company also donated prizes.

The Charter Oak tree was a real oak tree brought in for the occasion. Each acorn was wrapped in red paper and tied in ribbon of red, white, and blue. These were offered for sale, and those drawing acorns with numbers received the prize with the corresponding number. These prizes were donated by members.

Proceeds from the party are to go to the Tamasee School and the Kate Duncan Smith Schools, both supported entirely by the national organization of D.A.R. Mrs. Jerry Leaming is regent of the North Shore chapter and Mrs. J. Richard Dolan was general chairman for the party.

Thousands of American homes are becoming strangely quiet as the "kid brothers" of World War II servicemen take their places in our growing defense forces. Like these young sailors shipping out, they look to the Red Cross for help when duty and distance separate them from their families.
