

THE SPORTSLIGHT

BY WILL SCHLICHTING

Both Highland Park High school football teams took it on the chin last Saturday as New Trier mopped up on the Varsity 26 to 6 and the Frosh-Soph by a 24 to 0 score.

Again it was too much reserve strength that beat the Blue and White teams as both squads played good ball all afternoon but could not stand up against a fresh team being sent in at the opposing coaches' will.

To single out any one boy for being the best for either of the Highland Park teams would not be, in our estimation, the truth, as every boy on the field last Saturday played a real game of ball.

A complete list of the boys on both squads is as follows:

Varsity

Jon Anderson, Michael Azzone, Richard Baldwin, David Baum, Walter Benson, Arthur Buller, Walter Cronkrite, Joel Davis, Wm. It is interesting to note that the birthplaces of these boys are Lake County, Cook County, Oakland, California, Carbondale, Ill., Italy and Centerville, Ia.

The Managers

The managers of the Blue and White football teams are as follows: varsity—Ernest Rabatini, Bud Walters, "Skip" Wright, and John Behanna. For the frosh-soph—Don Simms, Tom Van Stratton and Warren Brown.

We pulled a big boner last week in the standings of the Suburban League but the ones shown elsewhere in this paper this week are correct. Thanks, George, for bringing it to our attention.

Sylvia Sidney Guest Star At ORT Membership Tea

Women's American ORT: Chicago Region commemorates the fifth anniversary of the United Nations by presenting Mr. Waitstill H. Sharp, renowned social scientist, Harvard-trained Unitarian minister, and Director of the Chicago Council Against Religious and Racial Discrimination at the Annual Autumn Assembly, Monday October 30 that 1 o'clock sharp, dessert luncheon at the Congress Hotel.

While an administrator in UNRRA responsible for Displaced Persons Mr. Sharp learned of ORT's Vocational Training Program, and noted the incredible stimulus to the morale of the victims of Nazi persecution afforded by that training. Recently the United Nations requested ORT to assist in the rehabilitation of invalids so that they may become integrated in the economic life of the country of their choice. Mr. Sharp's operations centered in the Mediterranean area; consequently he is familiar with the political, economic and social conditions prevailing in Moslem lands and how they relate to Israel, where he visited lately. He states . . . "the Land of Promise has become a Land of Fulfillment; and trained children in that Land are, and are to be, its most precious assets and defenders." Thousands of ORT trainees from Moslem lands migrate to Israel. Mr. Sharp will explore the subject and highlight it with fascinating anecdotes.

In fulfillment of the Region's pledge to redouble efforts to redouble membership to meet redoubled commitments in North Africa and Israel Mrs. Allen L. Atkins, chairman, announces that all new members and sponsors of two new members will be guests.

A condensed report of the proceedings of the recently concluded 11th Biennial Convention celebrating 70 years of ORT service to world Jewry will be presented by Mrs. Morris Bloomberg, Scholarship Chairman.

Mrs. Anita Libman Lebeson, author of "Pilgrim People", the only complete and popularly written history of the Jews in America from 1492 to 1950, will be on hand to autograph the book. ORT-ists recall with pleasure the author's pantomime-drama "Reap in Joy" and the music-narrative "Return of Elijah" presented at two ORT Purim Breakfasts. Mrs. Nathan Gore, Chairman of Budget and Finance, is steering this feature.

The leitmotif of the afternoon is the appearance of the enchanting Miss Sylvia Sidney, star of "The Innocents".

The President of Chicago Region, Mrs. Isadore Simon, recently returned from National Convention will preside. Mrs. I. M. Greenberg directs Program.

Leadership Training Main Effort Of Boy Scout Leaders

Leadership training continues to be the main effort of the North Shore Area Council this fall. Highpoint of the season will be a University of Scouting at Winnetka Community House on November 17-18. Basic training courses for Cub Scout, Boy Scout, and Explorer leaders will be offered on those two dates.

To prepare for this event, 15 Scouters spent the past weekend at Springfield State Fair Grounds, at a National Council training course for instructors. Led by Training Chairman, Harry Thorsen, Winnetka, the group included Tony Borre, Glenview; Avery Jones, Highland Park; Joe Eisenrath, Highland Park; Henry Diederich, Northbrook; and George Dinger, Glenview.

From the Northwest District came the following leaders: George Vanderhei, Waukegan; Medill Radloff, Libertyville; Nick Bock, and Harry Jesse, Antioch. Dale McDowell, new Assistant Scout Executive of the North Shore Area Council also participated in the training activity.

At the last Executive Board meeting a real challenge was pointed out by Joseph M. Thomas, Assistant National Director of Volunteer Training. Mr. Thomas pointed out that the Council average of trained top leadership was below the National average. The Executive Board discussed a plan of action which included the University of Scouting idea, and then gave Chairman Thorsen and his Committee a vote of confidence that Thomas' challenge would be met.

Roundtables for Cub Scouters have been launched in two Service Areas of the Council, first at Glenview, then at Highland Park and this week at Mundelein. At these affairs basic training is further augmented by special training in handicraft and morale.

Camp Ma-ka-ja-wan is still a center of activity. Scout Executive, Ed Schwechel, spent the last weekend in camp going over winter needs with the camp ranger. Part of the work ahead is the installation of new kitchen equipment obtained from Northwestern University through the good offices of George Dinger, Glenview, District Camping Chairman.

Tentative approval has been given for four two-week periods at Camp Ma-ka-ja-wan in 1951. Health and Safety Chairman, Dr. Martin Seifert has given the green light on this proposal. Full details as to rates and period dates will be announced as soon as camp promotion material is completely prepared.

Nominees Tell AVC Their Peace Views

Countering Republican charges of administration "blundering" in foreign affairs, a Democratic rejoinder this week asserted to local veterans that the year's Asiatic events are a historic milestone of peace achievement.

Candidates on this district's ballot for Senate and House at November 7th elections gave their opposing views frankly in reply to questioning by ex-GI's of North Shore chapter, American Veterans Committee.

"The administration's policy in Asia has been a policy of blunder and guess," Everett Dirksen, Republican running for the Senate, told the vets. "If elected, I will do all in my power to stabilize U. S. foreign policy so that it does not depend on a series of miracles and 'Hairbreath Harry' escapes."

Thomas F. Dolan, Democratic nominee for the 13th Congressional District, told AVCers that forces of world peace have been enormously strengthened by their workout in Korea.

"The real blunder in Korea has been Russia's," he said.

Dolan declared that President Truman has put teeth into the U.N. and has stopped the expansion of Communism.

Marguerite Stitt Church, running to succeed her late husband in this area's Congress seat, while calling for a more definite foreign policy and development of an adequate national defense, prescribed "continued emphasis on the United Nations as an existent basic union" which she termed a "step most important to our foreign policy in securing the peace."

None of the candidates indicated support of isolationist viewpoints. Answers to the AVC's round-robin quiz of candidates expressed sympathy with the vet chapter's goal of stronger world law "as a guardian of democracy."

North Shore Congregation Israel will open its "School for Adults" on Wednesday night, November 1, with the introduction of the fall Seminar of Jewish Studies. In charge of the social hour will be Mrs. Gordon Strub, library chairman, assisted by her committee consisting of Mesdames Ray, Mann, Walter Strub, Gene Beringer, Mary Stevens, Rose Zielinski and Misses Duce Picchetti and Martha Horsley.

At the last meeting Santa Claus appeared with gifts for Mooseheart and Moosehaven. Guest speaker was Pilgrim Brother Paul Kilkelly. "Second Chance" Dramatic Film Shown At Bethany

The dramatic film, "Second Chance", is to be shown in the Sanctuary of Bethany Evangelical United Brethren Church (Laurel at McGovern) on Sunday night, October 29, at 8 p.m. This film is "Hollywood" made and has a gripping message.

"Second Chance" is among the first feature motion pictures made by the church for the church and is jointly sponsored by the Presbyterian and Congregational-Christian denominations as Co-sponsors. The story of it will carry you along by the warmth and love of a newly founded home. You will laugh with the "Deans" as they laugh at life, and cry with them too, as life brings bitterness and sorrow. In the film "Emily Dean" wishes desperately for a second chance, for more time to redirect her life.

Be sure you, your family and friends see this thought provoking, humorous picture. Prior to the picture, inspiring music will be broadcast over the church's new public address system. Come early, admission is free; an offering will be received.

Anyone who is interested in participating in this School for Adults is invited to telephone the office of North Shore Congregation Israel, Glencoe 725.

She found her mother after 25 years!

For 25 years Mrs. Kathryn McCarty of Chicago had wondered who her mother was and whether she would ever see her.

"I had been adopted when I was 10 days old," Mrs. McCarty writes, "and I had never found trace of my mother. I moved to Virginia after the death of my foster parents. And I was resigned that probably no way in the world could I find my own people.

"Then the letters started and my mother contacted me from Dayton, Ohio. On January 21, the telephone rang and I heard the voice of my own mother for the first time in my life. She was calling from Dayton, saying: 'Hello there, this is your mother!'"

"The telephone is a priceless instrument for me!"

No price can measure its usefulness! Did you ever stop to think how much some of your telephone calls are really worth? Can you remember a call that made you feel your telephone service was "priceless"? We'd like to hear that story. Write, please, to:
