Campbell
Russel Campbell, for two years a patient at Downey hospital, and previous to that a resident of Highland Park for 30 years, living at the home of Mrs. John Duffy, S. Second street, was taken by death on Monday of this week. Well-known in Highland Park, he was a veteran of World War I, a member of the American Legion and of the Elks' club, and was for several years an employee of Central Tire Company.

His only near relative surviving is a sister in Chicago. Funeral services will be conducted in Paxton, Illinois, the town of his birth.

Lundgren
Funeral services for Per Gus Lundgren, 80, of 615 Deerfield avenue, were conducted yesterday, December 20, at 2 p.m. at the Kelley-Spalding chapel by the Rev. Herbert W. Linden.

Mr. Lundgren, born on August 3, 1870, in Sweden, passed away on Sunday, December 17, at his home, after a lingering illness. He and his wife, who preceded him in death, came to this country almost 60 years ago. They first settled in California and in Florida. They had been Highland Park residents for the past 55 years. Mr. Lundgren was a retired carpenter. He worked at that trade for 44 years.

He is survived by a daughter, Mrs. Edward E. Malm of the same Deerfield avenue address; three sons, Chester of Barrington, Oscar of Waukegan, and Emmett of San Francisco, California; one brother, Carl of Chicago; five grandchildren and four great grandchildren.

ARTHRITIS
Hundreds Claim Its Grip Broken!

Dear Friend:

Do you have Arthritis? Have you a relative or friend that is suffering from this painful, distressing ailment?

I came upon a simple remedy, that ended my long search and battle to rid myself of Arthritis. I had teeth pulled, tonsils out, serum shots, electric fever treatments, special built shoes, hot baths, pills and saives. The Arthritis withstood them all, and examination in several of the best known clinics could detect nothing. Finally I discovered Sulgly-Minol. Today, after seven months I am more free of pain and soreness than at any time in twenty years. Can work ten hours a day, with nothing more than tired feet. Legs, hips, back, neck and arms are practically free of pain and soreness. This has cost me less than six dollars.

This is all I did, and all you will have to do to try Sulgly-Minol. Just rub it on the soles of both feet before going to bed. A bottle will last about a month and will be enough to tell whether it will help. If it helps, keep it up for a month, and after that, just as you feel. If my feet feel sore from too much activity, I rub some on for a night or two. In my opinion, the benefits of Sulphur are more sure and complete on the soles of the feet. The results obtained have been acclaimed by many as a Godsend.
