A Thought For The New Year . . .

Do Something
Do something today that tomorrow
To someone whose pleasures are few,
Do something to drive off sadness—
Or cause someone's dream to come true.

Find time for a neighborly greeting
And find time to delight an old friend;
Remember—the years are fleeting
And life's latest day will soon end!

Do something today that tomorrow
Will prove to be really worth while;
Help someone to conquer sorrow
And greet the new dawn with a smile—

For only through kindness and giving
Of service and friendship and cheer,
We learn the pure joy of living
And find heaven's happiness here.

Urge Mrs. Church: 'Mobilize Ideals'

American soldiers can't rule the world by guns alone, North Shore ex-GI's of the American Veterans Committee told Congresswoman Mrs. Ralph Church last week as she prepared to depart for Washington.

"Naked militarism won't buy peace," a delegation of the AVC chapter's policy planners said in an interview with the new representative, which they released this week. "Democracy's powerful psychological weapons are vital to victory."

World-wide mobilization of the American freedom ideal must parallel legislative appropriations of manpower and money, the AVC men urged. Most of the world's peoples, they said, look to America for leadership toward liberty and peace. The vet group told Mrs. Church they favor United Nations reform by adoption of America's federal and democratic principles.

"Our freedom, and the power to give others freedom, is America's greatest strength," they added.

Certain persons who forget democracy's inward asset talk "defeatism and retreatism", the AVC men said. They warned the legislator that in their opinion to surrender nine-tenths of the world to communism would mean eventual suicide for America.

"If the present United Nations isn't strong enough to enforce peace," they asserted, "Our job is to build it—not to cry about it." Listed as prime UN needs by the veterans were:

(1) Efficient, unified armed forces.

(2) A veto-free Security Council and more U. S. voice in the UN Assembly than our present one-fifth vote.

(3) Adoption of universal democratic safeguards "as humanity's goal in the struggle against slavery."

The AVC men asked Mrs. Church to help speed up Congressional leadership toward these UN reforms.

First woman to represent the North Shore district in Congress, Mrs. Church this week takes the seat to which she was recently elected as her late husband's successor.

The AVC chapter's policy planning committee includes Harold Graham of Highland Park.

Hollywood Ice Revue At Chicago Stadium

Sonja Henie's holiday gift to Chicagoans, her 1951 edition of "The Hollywood Ice Revue," opened at the Chicago Stadium on December 23. The lavish ice extravaganza is scheduled to run through January 16 and will play a special matinee on December 31.

This year's revue boasts a cast of over 200 and includes 27 acts and eight huge production numbers. Freddie Trenler is back with three new numbers including "Bouncing Ball of the Ice", "Cats and the Mouse", and "Raggin the Puck."

Sonja appears in her traditional "Hula" number and will skate with Michael Kirby and John Walsh. Kirby is appearing as Sonja's principal skating partner for the fourth successive year. Sonja also appears in "White Elegance", "Turn Back the Pages", "Danubiesque", "Parade", and "Fiesta Frolic", the last number on the 2 hour, 45 minute program.

Illinois School Chairman For March Of Dimes

William E. Fay of Joliet, State Chairman of the Illinois March of Dimes, today announced the appointment of Carol Buske of Oak Park and Jerry Heiman of Crystal Lake as Illinois School-March of Dimes Chairmen.

Carol, who attend the Emerson Grade School in Oak Park, is eight years old. She contracted

WILLIAM E. FAY

polio in 1949, but is making a good recovery.

Jerry is a freshman at Bradley University, Peoria. He was stricken with polio just before entering his senior year at Crystal Lake High School, almost putting an end to his athletic career. But Jerry, too, is winning his fight against polio and is back in action again.

Fay pointed out that the high incidence of polio for the past three years has placed a heavy financial burden on the foundation and its county chapters. To continue this great work, he added, will require at least 30 percent more money than was raised during last year's March of Dimes drive. Illinois raised \$1,900,000.00 last year.

The 1951 March of Dimes drive for funds will be held from January 15 through January 31.

Just The Right Distance

The stranger brought his car to a halt, and addressed the tall raven-haired cowboy leaning against the corral. "Does Big Joe live near here?" he asked.

"None," replied the cowpoke. "Well," inquired the man, "where can I find his neighbor, Long Sam?"

"I'm Long Sam," drawled the cowboy.

"But," protested the stranger,

"they told me that Big Joe lived within gunshot of you!"
"That's right," came the calm rejoinder. "He did!"
