"THE SPORTSLIGHT

By Will Schlichting

The Highland Park high school cagers did not do too be a job in the Hinsdale tournament over the holidays even though they did lose their opening game to the Hinsdale Red Devils. The score was 39 to 37 and the Blue and White were leading with but a minute and a half to go but could not hold on to the lead. They had a bad first quarter scoring only 2 points while Hinsdale coped 7 to put our lads at a disadvantage early in the game. It was a real "hot" contest however with the score being tied six or seven times and those that travelleed to Hinsdale could not help but think that basketball is on its way up at the local high school, No action for the boys now until they play Waukegan here on Friday, January 112.
