## "... I shall not want"

Today through the light shed upon the twenty-third Psalm by the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, its promise brightens into practical fulfillment.

Supply, health—whatever is legitimately needful—is available to man without fail, and comes through the spiritual understanding of God, divine Love, which Christian Science brings.

Anyone who thoughtfully studies Science and Health and puts its teachings to the test in his daily life will find the "still waters" of the Bible promise.

Science and Health may be bought, borrowed or read at all Christian Science Reading Rooms. The coupon is also for your use.

Enclosed is \$3 for a copy of "Science and Health with Key to the Scriptures" by Mary Baker Eddy.
