

"THE SPORTSLIGHT"

By Will Schlichting

After a long lay-off the High school cagers will again take up their wars in the Suburban League as they tangle with the Waukegan "Bulldogs" this Friday night on the local floor. The frosh-soph hope to end a thirty game winning streak of the Waukegan boys, who have not lost a game in high school competition since entering as freshmen last year. The Waukegan varsity will be a real challenge to the Blue and White team and both games should be packed with thrills.

Just as a passing thought, if you have not seen those famous Harlem Globe Trotters basketball team in action you have missed one of the most entertaining evenings in your life. They really are perfection as far as handling the basketball goes and provide plenty of laughs at the expense of their opponents. So for basketball as it can be played we suggest you fans take in the next show at the Chicago Stadium when the Trotters meet the Minneapolis Lakers. We'll have the date of this game in next week's column.

Tonight the Highland Park men will travel to Waukegan for a meet which promises to be a good one and we understand that the northern rivals have a formidable team this year. The divers at the high school go to Chicago every Monday afternoon at 3:30 and return to Highland Park at 9:30 in the evening, under the supervision of John Broming. Boy these kids certainly must love the sport to spend all that time travelling to practice in order to hold their own with other divers in the area.

A dance will be held in the Highland Park Recreation Center gym for high school students following the Highland Park-Waukegan Basketball game. Dancing

will be from 10:00 to 12:00 o'clock and by popular request, the music will be furnished by Greg Newell and his orchestra. . . . In addition to dancing in the gym there will be television, the game room will be open, and the crafts room will be turned into a lounge on this evening. The soda bar will be open and sandwiches and hot dogs available for those who wish a snack after the games. . . . Mr. Don Tofte, who is in charge of the teen-age dances, cordially invites all high school students and their guests to attend this basketball dance.

The up and coming Moose Basketball team won two games last week to boost their season's record to 7 wins in 8 starts. Traveling to Barrington last Tuesday for a return game with the Broncos, the Moose put on a strong last quarter drive to come from behind to take the contest, by a 55-47 score. Never willing to concede defeat until the last shot is fired, the Moose has displayed a great comeback punch in several of its games this year. High point man for the local club was Bobby Plummer with 21 while Fiochi and Lenzi gathered in 11 and 10 points respectively. The Moose reserves won a closely contested game in the opener by a 45-40 score.

Last Friday night the Moose team defeated the Neals Service Station quintet of North Chicago by a 64 to 46 count. This game was scheduled on the spur of the moment as the Elgin outfit, who was to have been here, found the roads a little too slippery to risk the drive.

PROOF of its healing power

The way to health and harmony among men is earnestly and unselfishly sought by both Science and Religion.

Many divergent methods confront mankind. But the claims of all ultimately submit to one test — the test of proof.

The final chapter in the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, consists of 100 pages of unsolicited testimonies from persons healed by reading this book alone.

All testimonies have been carefully authenticated. All manner of disease and discord has been cast out permanently and promptly. This is the proof that Christian Science provides of its healing power.

Science and Health may be read or obtained at all Christian Science Reading Rooms. The coupon is also for your use.

Girl Scout News

by Mrs. M. E. Tippey

Members of Troop 61 (5th grade, St. James) had an ice skating party last Monday night, and afterwards went to the home of their leader, Mrs. Don Bartoli, to make popcorn, roast marshmallows and drink hot cocoa. Mrs. Nello Campagni, her co-leader, and Mrs. John Boselli helped with the party. Carol Ann O'Connor and Nancy Bartoli are the patrol leaders of this troop.

Agnes Picchiotti, reporter for Troop 46 (4th grade, St. James) reports that her troop held an election at their last meeting and voted to make Norma Brugioni their Juliette Low representative; Connie Linari, their member of the Girl Planning board; and Agnes, their secretary. Mrs. Richard O'Connor and Mrs. Richard Roach are troop leaders.

Fourth grade Brownies, from troop 42 at Oak Terrace, are delighted with the news that their leader, Mrs. Lawrence Carton, of Lake Forest, had a baby girl on December 14th. This future little Brownie has been named Katherine Lynch Carton. Mrs. Clifford Leonard is co-leader of the troop.

Five girls from Troop 4 (6th grade, Lincoln), Wendy Vollert-

son, Ann Tighe, Janet Cushman, Lynn Stunkel and Nancy Phillips, who are all working on the My Community badge served refreshments at the Golden Circle meeting.

Lucille Carani, reporter for Troop 17 (7th grade, Immaculate Conception) describes her troop's Christmas party to which they invited their mothers. They gave them the gifts they had been working on as part of the Sewing badge—luxurious little pouch bags made of red and white satin—gathered at the top and beaded in gold on the sides. Callista Ohlwein presented Mrs. John Jacobson, troop leader, with the troop's gift of a fuchsia colored sweater. Danielle Risdon, Donna Welch, Lydia Bertucci, Beverly Waugh, Lucille Carani and Marilyn Thalman and Ann Morren entertained. This troop made a New Year's resolution to start this new year with the serious work of the Home Nurse and First Aid badges.

Dr. Young Will Address Presbyterian Women

The Women's Association of the Highland Park Presbyterian Church will hold its first all day

meeting of the new year on Thursday, January 18th. The new President of the Association, Mrs. Warren K. Wilner, will take office. Others going into office at this time are: Mrs. Edwin Hansbrough, second vice-president; Mrs. Fred Law, corresponding secretary, Mrs. J. Franklin Bickmore, treasurer; Mrs. Gordon Humphrey, devotions; Mrs. George Hartman, budget and finance.

The day will begin at ten a.m. with sewing and hospital dressings, also the bake sale. There will be a chance service at noon. Mrs. Carl Howard and her group will serve luncheon at 12:30. The annual business meeting will take place at 1:30 with reports from all departments.

Dr. William Atkinson Young will give a New Years message following the reports.

Electric Cooking is FAST!

and here's one reason why—

The surface units on today's electric ranges have flattened coils (1). This means the bottom of your cooking utensil touches the heating unit all the way across! The pan "hugs" the unit... foods cook faster because the heat goes directly from the unit through the pan to the food... none is wasted "leaking" around the edges (2). Cook the newer, faster way... electrically!

Convenient Terms... on your monthly Service Bill
