

(Continued from page 4)

Two brothers and their families, formerly of Chicago, are new Highland Parkers. The Arthur Greenbergs of 2172 S. Sheridan road are the parents of a son, Allen, 10, and a daughter, Sharon, 12. Mr. Greenberg is in the rug cleaning business in Chicago. Their next door neighbors, the Leonard Greenbergs, live at 2166 S. Sheridan road. Their son, Howard, will be ten years old in March and their daughter, Retta, was six years old yesterday. Mr. Greenberg is in the furniture business in Chicago. Both families built their homes.

Recently of Chicago where they resided for the past three years, are the Martin Wibergs of 526 Cavell avenue. They built their home here. Their son, Donald, 15, is a student at the Highland Park High school and their daughter, Susie, 6, attends West Ridge school. Mr. Wiberg is with Harris Trust and Savings, Chicago.

Before living in Chicago, the Wibergs were residents of Houston, Texas, for three years, and prior to that were Californians for ten years.

Former Chicagoans are the J. J. Mitnicks and daughter, Melinda, 8, of 689 Carol court. The Mitnicks built their home here. Mr. Mitnick is with the Arrow Metal Specialties company, Chicago.

Now living at 304 Roger Williams avenue are Dr. and Mrs. Eli Olech and daughter, Lillian Ann, who was one year old on Monday. From California and Chicago, they purchased their home here. Dr. Olech, an oral surgeon practicing in Chicago, is also a professor at the University of Illinois.

From Elmhurst are Mr. and Mrs. Arthur G. Fox and daughters, Susan, 9, and Kathleen, 2, and son, Donald, 8. The Foxes built their home at 930 Bob O'Link road. Mr. Fox, who is in the insurance business in Chicago, is the son of Mr. and Mrs. Gordon H. Fox of Lakeside Manor road.

Mr. and Mrs. William J. Kraatz, formerly of Chicago, are new owners of the home at 1754 Broadway avenue in which they are now residing. Mr. Kraatz is a poultry salesman in Chicago.

Their son, Arthur, and his wife and sons, Rolly and Jerry, have lived in Highland Park at 174 Beverly place for the past six years. Another son, Raymond J., and his wife and daughters Karen and Laurelyn, reside in Seattle, Washington.

Formerly of Westfield, New Jersey, are the O. L. Dodges. They bought their home at 1921 S. Green Bay road. Mr. Dodge is with the American Telephone and Telegraph company, in Chicago. Their three daughters are Phyllis, who is teaching this year in Portland, Oregon; Kay, a sophomore at Denison university and Susan, 11, a Ravinia school sixth grader.

New owners of the home at 693 County Line road are Mr. and Mrs. Jack B. Rubin, former Chicagoans. Their daughters are Sandra, 16, and Diana, 6, and their son is Robert, 10. Mr. Rubin is a lawyer in Chicago.

LOOK WHO'S HERE!

A daughter arrived at the Highland Park hospital on Monday, January 15, to Mr. and Mrs. Peter Schultz of 120 N. Hamlin avenue, Chicago. Mr. Schultz is the brother of Harold Schultz, whose wife is the former Mary Elizabeth Grady.

A sister of Sandra, 9, and Carol, 6, arrived at the Highland Park hospital on Wednesday, January 17. The little girl has been named Marilyn. Their parents are the Bernard Bernardis (Virginia Santi) of 245 Ashland avenue, Highwood. Grandparents are Mrs. Mary Santi of 213 Sheridan avenue, Highwood, and Mr. and Mrs. Primo Bernardi of 251 North avenue, Highwood.

Mr. and Mrs. Robert E. Lee of 826 Deerfield road, Deerfield, became the parents of a son at the Highland Park hospital on Wednesday, January 17.

On Friday, January 19, a daughter was born at the Highland Park hospital to Mr. and Mrs. Robert Schmidt of Wheeling avenue, Wheeling.

Richard Owen has been chosen as the name of the baby boy born at the Highland Park hospital on Saturday, January 20, to Mr. and Mrs. Charles W. Pinkston of 604 McCaren road. Mrs. Pinkston is the former Genevieve Mauriz, daughter of the Gus Maurizis of

837 Taylor avenue. The L. E. Pinkstons of Pekin, Illinois, are paternal grandparents. Richard has a sister, Virginia Mae, 4, and a brother, Robert Allen, 3.

THE SPORTSLIGHT

By Will Schlichting

Well, we are sure of one thing, that those who went to Evanston last Friday night, including the first bus load of students to be transported by school busses in many a year, will not forget that night for a long time to come. The reason? Well both teams walked off with victories in closely contested games.

The varsity game was a real thriller and one that the boys can well be proud of. Trailing at one point by a 15-4 score the Little Giants seemed to be on the verge of slipping back to the days gone by when they took terrific pastings from the Suburban league foes. However they did not give up and at the end of the first quarter they were behind 18-7. Then, condition began to show, as the Blue and White cagers pulled up to within two points of the Evanston boys with the score at half time showing a 29-27 edge for the home team. The third quarter ended with Evanston still on top by a 44-43 count and they held that one point advantage until the last few moments of the game when the Little Giants tied the ball game up at 50-50. With 12 seconds to go Picchiatti drove under the basket and sank a lay up shot to put the Blue and White on top and before Evanston could bring the ball down the floor the gun went off ending the game and the Highland Park fans went wild.

It was a sweet victory for the boys as they had dropped an overtime game to the second place Waukegan team the week before on a little bad luck. Also it was a nice one to win for Billy Rogan, who played his last game for the Blue and White. Bill has enrolled at Loras Academy in Dubuque, Iowa and will be severely missed by Coach Morrison and the team. We wish to, at this time, send our best wishes for success at Loras, both in scholastic work and athletics to Rogan and hope he gets home often. He scored 10 points in his farewell game. The high point man for the Blue and White however, was "Big" Bob George, who tossed in 16 points while Schramm, Picchiatti, Ponsi and Hall also scored for the Highland Park cagers. In our estimation George played the best game he has ever played against Peebles of Evanston and we certainly hope that "Big" Bob can keep up the good work, along with the fine play of the other boys on the team the rest of the season. Watch out for these lads around tournament time!

The frosh-soph also came up with a thriller and they too won the game after trailing for three quarters. The boys were at an 8-7 deficit at the end of the first quarter and behind at half time by a 13-16 score. The third quarter ended with the score 23-20 in favor of Evanston and then the Blue and White boys decided to do something about the matter at hand and pulled out with a 28-27 victory. Freberg, Guents, Capitani, Antes, Kushen and Dal Ponte played good ball for Coach Hammerberg's cagers.

It will be Proviso, there, on Friday night and then on Saturday New Trier will invade the local gym for a pair of games.

The Highland Park high swimmers did not do so well against the Evanston teams. The varsity, coached by Mr. Kendig took a 37-29 defeat and the frosh-soph under Mr. Panther were sunk 57-18. The only bright spot on the card for the Blue and White was a pool record set by Brown who swam the individual medley relay in 1:23.9 to top the former record of Will from Morton who made the distance in 1:25.2 in 1949.

Following are the standings of the Suburban League teams to date and the top five scorers:

Table with columns: VARSITY, W, L, Pts., Opp. Rows: Morton, Waukegan, Evanston.

Table with columns: Highland Pk., Proviso, New Trier, Oak Park. Rows: 2 4 291 300, 2 4 263 303, 2 4 287 311, 1 5 261 302

FROSH-SOPH

Table with columns: W, L, Pts., Opp. Rows: Oak Park, Waukegan, Highland Pk., New Trier, Morton, Proviso, Evanston.

VARSITY SCORING

Table with columns: g, fg, ft, tp. Rows: Jeangerard, N.T., Makovsky, M., Peebles, E., Schuchmann, P., George, H. P.

Current Activities At Recreation Center

Fly Tying If you are looking for a fascinating hobby with a lot of constructive angles to it then Fly Tying is just for you. Fly Tying is nothing more than borrowing the wife's hat stripping off the feathers and do-dads, and tying them to a fish hook which in turn becomes a good meal for a trout. Of course the women may not agree with us men as to the value of such a hobby but after they taste one of the days catches they will change their minds. Many interesting hours can be spent in following this hobby and the satisfaction that comes from catching a fighting chunk of fin on one of your lures surpasses many other exciting moments.

Fly Tying classes will begin the first Tuesday in February which is the sixth. The Craft Room in the Recreation Center will be headquarters for all anglers.

Due to the length of time it takes to receive an order of various types of equipment we are asking all prospective members to call HI. 2-2442 in advance of the first meeting date. If you wish to purchase any equipment please contact Joe Sladky and your needs will be determined at that time.

League Basketball Results The Highland Park recreation Department's city basketball league has turned into something quite unpredictable. Only one team, the Intellectuals, remains unbeaten but just how long they will stay that way is anybody's guess. Upsets have been the highlight of the games so far and more than one game has been won by one or two free throws.

The Intellectuals have a 4-0 record up to date. Following the league leaders is Schrams' Appliance with four wins and one loss. Art Olson's Clothing and Moroney's Insurance are all tied up for third place with a three and two record. Fells' Shoes and the Apta AH Stars vie for fourth place honors with two wins and three defeats. DeSoto-Plymouth took over fifth place last week and Hermans' Hurricanes holds down the anchor spot.

Friday, January 26, at 7:45 p.m. the league leaders face the DeSoto + Plymouth aggregation. These two teams are playing the preliminary event to the Highland Park Moose Team which plays at 9:00 p.m. The Intellectuals are putting their unbeaten record on the line for this one. DeSoto-Plymouth can be a tough team to beat if their shooting is on and it is just about time for them to be hitting the high percentage line. Anything can happen in this one so if you want to see the unpredictable happen, come over to the Recreation Department Gymnasium and see some good basketball.

Moose Basketball Team Hits Winning Streak The Highland Park Moose cage team ran its string of victories to 9 out of 10 starts last week end. On Thursday the Moose travelled to Lake Forest where they met the Young Men's Club, winning an overtime thriller 53-51. The next night, playing at home, the Moose defeated a strong DeKalb team by a score of 77-68. The DeKalb players previously were members of this year's DeKalb College squad. They have enlisted in Uncle Sam's navy and are out barnstorming before reporting for induction.

Highland Park again proved to be a great come-back team in its game with Lake Forest. The Moose enjoying a ten point lead with 5 minutes to play took things too easy and Lake Forest forged ahead 47-43 with a minute left to play. Bunny Bonamarte, who replaced Murray Weiner late in the fourth quarter, made a drive in shot to close the gap and Bernie Lenzini made a sensational one handed flip from mid-court to tie up the game. In the overtime, Lenzini scored first for Highland Park, but Lake Forest came back with two baskets to take the lead. Bobby Plummer then took over, sinking two beautiful shots to put the game on ice as time ran out. Murray Weiner led the team scor-

HI SCHOOL JINX

"Has the hypothetical hand of fate set its seal and closed your destiny?" or "Did you flunk?" However you want to say it those enchanting semester exams are done and finished. Oh well, there's always next semester. We've heard there's a posse out after a certain American History instructor.

The one and practically only good side to exams is that there was absolutely no homework during the end of the week and so parties. Seems that little private ones are quite the style such as those at Carol Walker's, Dave Swartz's, Sue D'Sinter's, and a typical stag brawl after the Evanston game at a certain Junior's house. The last was strictly Juniors and Seniors. Have fun, boys? Also Donna Stein gave a hay-ride.

Speaking of the Evanston game H. P. can really be proud of the big H. P. turnout and those final scores. All those that somehow got through the "soup" felt it was well worth the effort. People in both busses seemed to enjoy singing miscellaneous camp songs.

We've been asked to print an announcement concerning girls open swim and swim classes. For information on obtaining box seats please contact any Sophomore, Junior or Senior boy.

It has now been conclusively proven that the girls of H. P. H. S.

will try anything. Because now they've taken to curling at Exmoor. They are officially out for a championship. Ann Ullman, Nancy Smalley, Gwen Olson, Ann Ferguson, and Judy Bickmore are skips. Wouldn't you know.

There's a lot been going around about the Freshmen but now we even have proof that amorous freshy boys are writing poetry. Audra Furrow obviously inspired this work of a master found in a health book.

She runs around with Math books And a blank and distant stare But every now and then at parties Audra comes up for air. Combinations seen in, around, and out of H. P. H. S. Henry Loeb and the pencil sharpener. Punky Bahr and Bob Hedstrom Lynn Elliott and her gum Dickey Beam and one of his many hats

Far away places with strange (?) sounding names beckoned everyone with time to kill and money to spend. Quite a few Sophomore girls found Evanston alluring (here's a hint to all admiring friends that they possibly might have had their pictures taken) but some senior boys found Maxwell Street more to their liking. And what did the Junior boys do to keep out of mischief? Hmmm

Anne-Nan-an'-Mus

with 20 points.

The DeKalb game on Friday was a hard played affair. Feelings ran high between players of both teams and the game became rather rough. Highland Park matched shot for shot with DeKalb in this high scoring game. which saw the return of Danny Coleman to the Moose line-up after an absence of several weeks due to an injury.

High point men for the Moose were Plummer and Weiner with 30 points between them. Epifino led the DeKalb team with 16.

This Friday the Moose will play a return game with Lake Forest at the New Recreation Center. Game time is set for 8:45 p.m. A preliminary game between DeSoto Plymouth and the Intellectuals, two of the Recreation Center's City League teams, will play a curtain raiser starting at 7:30 p.m. Admission to the games is 50c for adults and 25c for high school students and children.

Volleyball Players

Do you like an activity with plenty of action, skill, team play, and excitement? Then Volleyball is the game for you. Beginning tonight and every Thursday thereafter, Volleyball games will be held in the Recreation Department Gymnasium at 8:00 p.m.

Whether you are young or old or just think that you're old volleyball will give you many added hours of enjoyment, it will also make you more physically fit to meet the demands of every day living. Everyone should take time out for a little relaxation once in awhile so why not keep Thursday evenings open for volleyball and fun.

Bradley Defeats Follow Trend Of Past Years

Peoria, Ill. (Special)—A brief "January slump" for the Bradley basketball Braves is becoming a regular occurrence in Peoria as the traditional midwestern "January thaw."

Because this has come to be such a regular feature of the Braves' lengthy basketball cam-

Attention Residents of Highland Park

I wish to declare myself as a candidate for the position of Commissioner in the City of Highland Park in the Primary Election February 27, 1951.

I ask for your consideration at the polls on the premise that the City of Highland Park needs a trained Municipal Manager to aid its City Council in administering the business affairs of the City.

City Managers employed by City Councils in other municipalities are proving their worth in extracting full measure from the tax dollar. We can use that service here.

Keith W. Burge 1280 Sunnyside Lane ADVERTISEMENT

Teenager Gets Appetite Back; Thanks Hadacol HADACOL Supplies Vitamins B, B, Nicotin and Iron Which Her System Lacked. According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B, B, Nicotin and Iron, which HADACOL contains. Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good." © 1950, The LeBlanc Corporation
