#### V. C. Musser Story Of Red Cross **Blood Program**

Radio listeners are urged to tune in on "Hear It Now," with Edward R. Murrow, over CBS on Friday, February 9, from 8 p.m. to 9 p.m. The dramatic show, aired locally over WBBM, will tell the story of the Red Cross blood program-from the collection of this life-saving fluid to its use on the battlefield. Special tape recordings of soldiers in Korea receiving blood will be broadcast.

An opportunity will be given the audience to call Red Cross, immediately following the 'program, at WAbash 2-7850.

### City Clerk Chamber Group To 21 Give Free Concert

A chamber orchestra of North Shore musicians this week announced plans for a free-admission concert to take place in March in Highland Park.

Twenty-odd members of the 'Flute and Fiddle" Club will play the program to celebrate the twentieth anniversary of their first performance in 1931, according to Everett Millard, director. The date will be Sunday, March 11, at 4 p.m., but the place has not yet been decided, he said.

In prewar years the chamber music organization gave concerts in Winnetka under the name "Friends of Music" and in Highland Park as "The Community Caucus Committee Of Orchestra". In that period there were joint appearances by the ensemble with the North Shore Choral Society, the Threshold Theater in Glencoe, and a Highland Park chorus. Its directors included Millard, Kurt Herbert Adler and Armand Baker. In postwar years public appearance since 1942.

"The pint-sized symphony fills a niche between the delicate range of string quartettes and the sonorous strength of a full orchestra," Millard said. It was a favorite vehicle of classical composers, he noted, adding that some of the best contemporary music is still being written for such chamber

Origin of the "Flute and Fiddle" group was in a music study class led by Mrs. George Jones of Highland Park, which gave its first recital on February 14, 1931.

Members of the "Flute and Walter Giesecke, Rosemary Holm, Chairman at the April meeting Mrs. Erwin Jordan, Mrs. Julien Gilbert Oberschelp of Deerfield.

## District No. 108 Accepts Nominations For Board

The caucus committee of school district 108 met last Sunday in an open meeting at the music room of Ravinia school where they accepted nominations of candidates for election to the school boards.

Three vacancies due to the expiration of terms will be filled by election to the board on April 10.

Further nominations will be accepted by the caucus committee if they are submitted to the secretary, Mrs. William Bresnehan, 418 Arbor avenue, on or before Sunday, February 11.

These nominations must be accompanied by a brief biographical sketch of the nominee and a signed statement that said nominee will run for office.

Christian Science— (Continued from page 5)

Concepts about Matter Are Changing Rapidly

Christian Science has prepared us all for what is going on in the world today. Jesus prophesied, and Christian Science explains, what Mrs. Eddy terms "the incredible good and evil elements now coming to the surface" (Science and Health, p. 83). Christian Science has revealed an all-inclusive refuge for everyone in our Father's house of "many mansions, many welcomes, many pardons for

the penitent" (Miscellany, p. 133). This house is the consciousness of God. In this house we are safe from fear or harm under the universal and loving government of

God. In this complete and perfect government of God, there is no

cause for fear and no one has the capacity to fear. We are always consciously at one with God, identified by Him, identified with Him, necessary to Him, and classified by Him. And He hath done all things well!
