The place of security

There is a realm where hope is no longer precarious. It is the realm of un-wavering spiritual understanding. It is the realm of Truth.

How may we find it? Through knowing (understanding) the same truth which Jesus knew, and which he promised would "make us free."

The Christian Science text-book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, plainly shows the way. To any sincere student this great book steadily unlocks the treasures of truth in the Bible and proves, by healing the sick, their practicability today.

It may be bought, borrowed or read at all Christian Science Reading Rooms. The coupon is also for your use.
