

Deeps and Shallows

On The Other Foot

An optimist can give advice
With positive conviction,
But manifests no fortitude
In circumstances that include
His personal affliction.
—Marmalade

April Fool

We woke on April All Fools' Day,
Believing spring was on the way,
To find the world, for goodness' sake,
An ice cream cone—a wedding cake!

It even fooled a robin—he
Thought he'd found a pop corn tree,

He made a dive for it, and, to—
He got a big snootful of snow!

The calendar we've used, before,
Is set back full two weeks or more.

I'm sure that I don't know—do
you?

Just what the world is coming to.

Snow scenes, in place, are fine,
but please,

We had expected buds and bees. . .
Oh, weather man—of all the folks
We know—you play the rudest
jokes!

—R. B. O.

"Y" Square Dance Club Still Open For Registration

The YWCA Square Dance Class got off to a big start Friday, March 30 when the Sets in Order rang through the hall on Laurel ave. Three sets starting with the elementary Allemande left went on to learn the more intricate steps of the Varsouvienne, the Rye Waltz, and the Jessie Polka.

The class under the direction of Mrs. Harold Bartram, well known Square Dance teacher from Waukegan, has been designed to help persons get a greater enjoyment out of this dance that has swept the country from New York to Los Angeles. Mrs. Bartram is bringing to the class the very latest methods of square dancing that have been developed in other parts of the country.

The class meets each Friday night at 8 p.m. and will continue for five more lessons. It is still open for further registration. Persons interested should call the YWCA at HL 2-0675.

Ravinia Garden Club Will Present Leopold At April 12 Meeting

Robert L. Leopold, South Linden Avenue, will be the speaker at the guest meeting which the women of the Ravinia Garden club will hold on Thursday evening, April 12, at the Recreation Center at 8 p.m.

A member of the Men's Garden club of Highland Park, Mrs. Leopold is well known for his cleverness and wit having appeared before his own club as guest speaker last December. That evening was such a success that members of the Ravinia Garden club tried hard to get him for their one guest meeting of the year.

The subject of his talk will be "Gardening is Fun?" This is the same program that he presented to the Men's Garden Club and many of those same members will be back to hear him again although the guest list must necessarily be limited by seating capacity of the Recreation Center to 200. Mrs. C. R. Torrence will be in charge of reservations from club members.

Following the program, refreshments will be served with Mrs. Edward M. Knox acting as social chairman for the evening. Mrs. Knox will be assisted by the following committee: the Meses. William Alderman, John A. Bailey, Walter M. Buchroeder, Stanley R. Clague, Nathan Corwith, J. David Dickinson, C. Longford Felske, George Hadlock, George Kneup-

"... I shall
not want"

Today through the light shed upon the twenty-third Psalm by the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, its promise brightens into practical fulfillment.

Supply, health—whatever is legitimately needful—is available to man without fail, and comes through the spiritual understanding of God, divine Love, which Christian Science brings.

Anyone who thoughtfully studies Science and Health and puts its teachings to the test in his daily life will find the "still waters" of the Bible promise.

Science and Health may be bought, borrowed or read at all Christian Science Reading Rooms. The coupon is also for your use.

Ravinia Woman's Club Plans Art Exhibit

The Arts Committee of the Ravinia Woman's club, under the chairmanship of Mrs. John H. Armstrong, 272 Vine, has planned an Art exhibit by club members for Wednesday, April 11 at 2 p.m. Two entries may be submitted by any member in the field of sculpture, ceramics or painting, and should be brought to the Village House between 9 and 10 on the morning of April 11. Paintings should be framed or matted and wired for hanging.

After inspecting the exhibit, members and guests will hear a talk on "Modern Art" by Mr. George Buehr, who is known to North Shore art circles as a lecturer, teacher and painter of note. His talk will be illustrated with chalk drawings showing the treating of a given subject in the schools of surrealism, impressionism, cubism and Dadaism.

Mrs. Robert Palmer is program chairman. Assisting Mrs. Armstrong with the exhibit are Mesdames Arthur Strubel, William Werringer, Willard Ewing, Roger Kimber, Horace Penny, Carroll Bartlett, P. B. Garrett, Dudley C. Watson, George Kneuper, E. Burdette Elmore, Robert Palmer and Kenneth Kraft.

Girl Scout News

by Mrs. M. E. Tippey

Two Highwood troops have reported to this column 100 per cent plus cookie sales. Troop 60 (St. James, 3rd grade) sold 25 cartons and is especially proud of this record. Mrs. Americo Linari and Mrs. James Berandoni are the troop's leaders.

Mrs. Edwin D. Harris, leader of Troop 41 (St. James, 6th grade) reported another fine record, with 12 girls selling 15 cartons. At present, this troop is working on the Cook badge, and has arranged for the girls to take cooking les-

sons offered weekly at the Highwood Community Center.

All over Highland Park, the response to the cookie sale was impressive, and the Girl Scouts appreciate the way the public bought so generously from them. The deficit amount needed from the Community Chest was made up,

and enough more made so that the Scouts now have a good amount with which to work.

TURN WASHDAY INTO A half-day WITH AUTOMATIC Laundry Appliances

Imagine having all your laundry done by noon on washday! It's easy to do when you have modern appliances to do the work for you. All you do is toss clothes into the automatic washer where they're washed, rinsed and spun while you're finishing the breakfast dishes. Then, take the clothes from the washer and toss them into the dryer. Set the automatic timer so the clothes come out slightly, evenly damp... and ready for ironing. Then, while more clothes are being washed and dried, you'll be at the end of the assembly line ironing the first batch on your automatic rotary ironer! And best of all, you won't be all worn out when you do your laundry the modern way... in a half day!
