"THE SPOTLIGHT"

By Will Schlichting

Track and Baseball take over the spotlight at the Highland Park High school this week as the track teams return to Oak Park for the Tournament of Champions Friday night. This meet pits those who placed in the Oak Park relays last week against each other to determine the best in each event. Coach Mark Panther will take several boys to this meet, including Carl Salo, Tom Compere, Arvid Sagi and John Wolter who make up the freshman 4 lap relay team; Bob George in the high jump and Phil Watrous in the pole vault.

On April 5, against Northbrook, Coach George Grover will unveil his 1951 squad to the baseball fans and again on Saturday, April 7. The Northbrook game will begin at 4:00 p.m. and the double header against Grayslake on Saturday will start at 1:00 p.m. A complete roster of the varsity team will be printed next week.

We have been informed that a popular, Highland resident, Gus Gaggioli, has taken over the operation of the Deerfield Bowling Academy. We wish him success in this new venture and trust that his many friends will pay the establishment a visit in the near future.

Managers and other interested persons are invited to attend a meeting to formulate plans and discuss the City 16 Inch Softball League. The meeting will be held at the Recreation Center on Monday, April 9 at 7:30 p.m.

On Wednesday, April 11, at 8 p.m. at the Highland Park Recreation Center the Intellectuals, winners of the first round of league play, will meet the Olson Clothiers, second round winners, for the City League basketball championship. Indications are that a fine game is in prospect for local basketball fans as both teams are hoping to win the trophy now on display in the lobby of the Recreation Center.
