THE SPORTSLIGHT

By Will Schlichting

Local basketball fans will be given the opportunity to see some of the country's finest basketball talent in action at the Highland Park Recreation Center on Saturday, April 28. On that night All-American Gene "Squeaky" Melchiorre will bring home brother Dino and the seniors of the Bradley varsity to take on a Beloit-Illinois squad that has Highland Park's Bill Kelly in its starting line-up. Kelly will be backed by a star studded line-up that includes Johnny Orr of Beloit, player-coach and two year N.A.I.B. All-American; Dike Edelman, '49 Iliini Captain; Wally Osterkorn of Illinois, All-Big Ten, 1950; Jack Burmaster, Illinois Captain and All-Big Ten, 1948; Fran Stahr, speed demon of this year's Beloit team; and "Doc" Wieske, Ripon College's greatest player and scorer.

Aiding the Melchiorres will be the classy Billy Mann, Big Elmer Behnke, Bud Grover, Aaron Preece and Joe Stowell. This is the team that has, by their great record, increased the Peoria school's famous basketball reputation. Last week, when these teams met in Peoria, the crowd was left gasping for breath as the local heroes edged the Beloit-Illinois All-Stars by 2 points. As they play several games before they appear here, it may be that the Highland Park clash will be the climatic game of the series. It is suggested that fans get their tickets early as seating is limited. Tickets may be purchased at the Highland Park Recreation Center, Maiman-Haines Sport Shop, Olson's Clothiers and Fells. In Highwood at Aldo's Confectionary, the Golden Dome, Tap O'Muzik, and My Favorite Inn.

Highland Park high school helped Niles inaugurate its baseball team into the Suburban League by handing the visitors the first game of a double header by a 4-1 score. Renzo Marchietti could not keep the Niles boys under control and Oslund of Niles poled a home run in the first inning. In the nightcap the blue and white squad began to hit and took a 4 to 3 decision with Frank Picchietti hurling for the local team. This Saturday the boys will travel to Morton for a double header and on Tuesday they meet New Trier on the local diamond at 4 p.m.

Next Tuesday the blue and white thinclads will meet Niles on the local oval with the varsity and frosh-soph both squaring off.

Saturday the sophomore baseball team will play Proviso here at 10 a.m. and on Wednesday both the sophomore and freshmen teams will square off against Niles on the local diamond.

This Saturday the high school track team will take part in the Lake Shore Quadrangular meet at Evanston. This meet pits them against Evanston, New Trier and Waukegan. Coach Panther does not expect too much in this one as the boys have not been able to do any honest to goodness work on the outdoor track so far this season.

Tuesday night the baseball squad travelled to Evanston and came home with a win by the score of 1 to 0.

Coach John Broming sent his tennis team against Hinsdale Monday afternoon and they came up with a win to start the season out right.

High School Dance Friday At Center

Highland Park Recreation Center will be buzzing with activity this Friday night, April 20, as the popular teen-age dance program will be resumed.

Greg Newell and his orchestra will again provide their very danceable music. Also appearing with Greg's band will be their popular vocalist Lenore Crowley. Dancing will be from 9 to 12 with the soda bar open for those who desire refreshments.

Table with columns for Dance categories (3 A's, Total second honors, Percent second honors, Percent first and second hon) and student names with counts.

N. Shore Boy Scouts To Launch All Out Drive, Monday

Libertyville, (Special) — Boy Scouts of the North Shore Area Council will launch an intensive drive on Monday, April 23, for the successful promotion of their benefit polo game at Arlington Farms here on Memorial Day. A directive signaling this all-important event and calling upon all Scout leaders to organize vigorous ticket selling units has been issued from the Highland Park Headquarters by Scout Commissioner Robert C. Wright, of Antioch.

4,500 Explorers, Scouts and Cubs from 106 Troops and Packs are poised to swarm over the North Shore Townships and countryside in the area bounded by Lake Bluff, Antioch, Glenview and Wilmette. They will be armed with tickets for the grand opening of the 1951 season on May 30 at Arlington Farms Polo Club.

On that day, Owner and Captain Len Bernard will lead his Arlington Champions of the International Polo League against the powerful Milwaukee Club, winners of the 1950 United States 20 goal championship. Leading a brilliant half-time spectacle will be the famous Racine, Wis., Junior Drum and Bugle Corps. This band was crowned "Champions of Scouting" last summer at the Valley Forge National Jamboree.

Scout Executive E. A. Schweckel, of the North Shore Council, has perfected his plans for the all-out fund drive. Several conferences have been held with Publicity Director Harry K. Smith, of Arlington Farms. Approval of the project and benefit was voted at the last meeting of the Governing Board presided over by President Robert C. Brown, Chicago Patent Attorney, who will serve as Honorary Chairman of campaign.

Mr. Brown has designated Russell Whitney to actively direct drive. Arlington Farms and the North Shore Council of Boy Scouts will share the ticket sale proceeds. Troop treasurers and the Council's fund for Camp-Ma-Ka-Ja-Wan in Wisconsin will benefit. Prizes, to be announced later, will be given to the four top-selling troops and scouts. Every township in the North Shore Council Area will be covered for the advance ticket sale. The representative committee-man for Highland Park is John Montgomery.

Trinity Church Will Present Ruth Gregory At Guild Luncheon

On Monday, April 23, the Guild of the Trinity church will hold a luncheon meeting. Guest speaker for the occasion will be Miss Ruth Gregory, head librarian of the Waukegan Public Library, who will speak on "The United Thank Offering at Work."

Miss Gregory is presented in the capacity of County Chairman of the Department of Christian Education of the Diocese.

"Believe It Or Not" At Val-Lo-Will

Behind the Val-Lo-Will store at 32 N. First st., Highland Park, is a personality that comes under the Ripley "believe it or not" category, that of William C. Grunow.

Known as the man who gave America its first quality radio, first safe home refrigerator, Mr. Grunow's hobby of raising chickens to eat—instead of jutting laying eggs—is another "first" for the young business wizard.

While in retirement 10 years ago on his 500-acre estate at Lake Geneva, Wis., Mr. Grunow began toying with idea of raising chickens along the lines of mass production.

He realized that in order to get uniformity of flavor and texture he would have to start at the source and eliminate all in-between factors.

Mr. Grunow used his 18-hole golf course on his estate for his chicken factory. Pedigreed laying flocks were built for his now famous birds from which the selected hatching eggs are secured and turned over to the incubator. After 21 days, the baby chick makes its appearance and is placed in sanitary cages in air-conditioned rooms attended by poultry husbandmen and fed 17 different types of feed prepared by nutritionists.

At the end of 12 weeks, the chicken is ready for dressing and after a selection is made for the proper number of cockerels and pullets to go back into the laying flock, the balance are dressed.

Unlike the pig in the stockyard, while everything is used but the squeal, everything is used on the Val-Lo-Will chicken.

The head and feet are sold to the fox and mink farms, the e-fra-trails are fed to the hogs, the feathers sold to the upholsterers, and the droppings are dried and sold as fertilizer. Val-Lo-Will uses the clucking hens and the crowing roosters for signatures on their transcriptions for the daily broadcasts.

After the finished product, the eviscerated bird, is given a post-mortem inspection, it is packed in ice and the entire bird is shipped to any of the 33 Chicagoland stores, where the product is solely distributed. James J. Davin, Sr., who has been associated with Mr. Grunow since 1928, is manager of the Chicago stores.

Dr. Rollin B. Posey Will Address North Shore Clergy

Dr. Rollin B. Posey of Wilmette, Chairman of the Department of Political Science of Northwestern University and a member of the Chicago Crime Commission, will be the speaker at a meeting of the North Shore Clergy, to be held at the North Shore Temple Israel, at 11 a.m. Tuesday, April 24th.

Dr. Posey will report to the clergy on the Kefauver Committee findings on crime in the Chicago area, and the recommendations of

the Chicago Crime Commission. The discussion meeting will be followed by a luncheon at the Temple. Rabbi Edgar Siskin will be host to the group. Dr. Ashley Gerhardt, rector of Christ Church, Winnetka and Dr. Ross Cannon, minister of the First Congregational Church of Wilmette, served on the committee with Rabbi Siskin to plan the meeting.

Though no formal organization has been effected, more than thirty clergy from Wilmette to Lake Bluff have indicated a desire to meet occasionally for fellowship and sharing of mutual interests. Dr. Gerhardt was host to a meeting in January when this was discussed, and the Committee was appointed to plan a second meeting. All clergy are welcome to attend these meetings.

Scouts Of Immaculate Conception School

The Brownies, Cub Scouts, and Girl Scouts of Immaculate Conception School will hold a paper drive on Saturday, April 21.

Papers may be brought to the rear of the school building, or if you are unable to deliver them call Mrs. E. P. Ohlwein, HI. 2-0658, Mrs. John Jacobsen, HI. 2-2926, or Mrs. A. J. Magoni, HI. 2-3846.

All proceeds of the drive will be used for Scout projects.

The school lunch room will close Friday, April 20 for this semester. Children may continue to bring lunches, but the hot soup, spaghetti, etc., will no longer be served. The Sisters of Loretto, Mrs. Peter Piacenza lunch room chairman, Mrs. Paul Carani, and Mrs. Mae Meierhoff have worked together to make this project a great success, and they have the sincere thanks of all members of the Parish.

Girl Scout News

The Girl Scout Council of Girl Scouts is very grateful to Mrs. Tippet for the fine work she has done with this column. For further news please call Mrs. Perkins at HI. 2-5592.

Troop 37 Girls from the 5th grade Troop 37, Elm Place, gave a fashion show on Monday, April 9, at the Highland Park Recreation Center. Party dresses, suits, jeans, shorts, bathing suits and spring coats were modeled. Guests were Troop 27, 5th grade, Elm Place.

New officers of Troop 37 are: Judy Doner, president; Robbie Collings, vice president; Madeline Weber, secretary, and Eleanor Levinson, treasurer. Troop leaders are Mrs. Levinson and Mrs. Taft. Linda Taft is Troop reporter.

While Troop 30 (3rd grade, West Ridge school) leader, Mrs. Frye, Jr., has been away, Mrs. Perkins has taken over. All are going to get mixed up in the flour barrel this week and try a hand at making cookies.
