## Rap Poll By Lewis; Called Phony

by Everett L. Millard

A "poll" which purported to show 97 per cent of North Shore residents in favor of impeaching President Truman was greeted with doubt this week by skeptical ex-GI's.

Thirteenth Congressional District voters were polled by commentator Fulton Lewis, whose figures were released by Congresswoman Marguerite Stitt Church on Monday. A local group of the American Veterans Committee, who made it plain they want proof immediately asked Mrs. Church for more facts on the poll.

"If it isn't a correct opinion sample of our area," said AVC chapter Chairman Howard Kraus, "we will mail out our own poll to learn what people think."

On other questions, less than one-tenth of one per cent of North Shore citizens said they would vote for Truman for president today, and only four per cent expressed confidence in Europe's will to fight against communism, according to Lewis. Eighty-seven per cent of the Lewis sample would cut off economic aid to Europe, and a majority opposed universal military training.

"We know most people here want changes in U. S. foreign policy," added Kraus, "but we think most of our neighbors are more moderate and constructive in their views of what to do than these figures would indicate."

Members of the AVC chapter will meet this Sunday evening to hear H. L. Woolhiser, Winnetka Village Manager, discuss municipal government. Among those expected to be present are officials of Highland Park, reported considering a switch to the city manager plan. The meeting will begin at 6 p.m. at the home of Everett Millard; Highland Park, and is open to all veterans and other interested citizens. A buffet supper will precede the talks and a question period.

## Girl Scout News

by Mrs. R. Perkins

Bonnie Simons, troop 16 (Ravina 5th grade), reports that Sylvia Anstzmann, student at Highland Park High, who came from Germany four years ago, recently gave a talk on international friendship, and talked about her school life in Germany. The girls are planning a cabin party next week, and are planning a party for their parents, at which time the girls will receive their second class badges. Troop leaders are Mrs. Wm. Meinsimer and Mrs. J. W. Davidson.

Brownie troop 24 (Braeside, 3rd grade), has organized into three patrols, with six girls to a patrol. Each leader is voted on by each patrol.

Two recent trips were taken to the Water Works, where they were escorted by Mr. Prindle, and one to the library, where Mrs. Boyo told them stories and showed them around the library.

From their cooking lessons they are able to plan and prepare an entire meal. Their leader is Mrs. C. Banton McDougal.

Brownie troop 42 (Oak Terrace, 4th grade) recently visited Hawthorne-Melody dairy, Libertyville. They are planning for their flying-up ceremony. A trip to Ft. Sheridan is also being planned, after which they will have supper at the home of their leader, Mrs. A. Richardson. The troop is being successfully reorganized, with the help of Mrs. I. Rozak.

Troop 4 (Lincoln 6th grade) is working on the bird badge. To be eligible for this they must recognize fifteen birds and know the call of five. They wrote to Governor Adlai Stevenson for information of birds of Illinois. Their work on birds will be finished at the Cabin, on Monday afternoon. They are also working on the hostess badge, work which will be completed by a tea given for mothers, all the preparations being made by the girls, each performing a special duty, in kitchen, dining room or receiving line. Leaders are Mrs. J. E. Vollertsen and Mrs. C. S. Stunkel.

Brownie troops 6 and 23 (Elm Place 4th grade) are planning a cook-out at the lodge soon, followed by group singing. Leaders are Mrs. F. Dubach, Mrs. J. Smart and Mrs. S. Meyer.

If any Girl Scout or Brownie has girl scout apparel she would like to exchange, sell or give away, she may get in touch with Mrs. S. J. Meyer, HI 2-0869, who is in charge of uniform exchange.
