"THE SPORTSLIGHT"

By Will Schlichting

A good crowd turned out yesterday for the Lake County Track meet which was held on the Highland Park high oval on a beautiful sunny afternoon. The winner was Waukegan and the Little Giants took second place. The following is the table of points:

| | |
|---------------|---------|
| Waukegan | 66 1/5 |
| Highland Park | 38 1/5 |
| Libertyville | 27 1/2 |
| Barrington | 27 |
| Lake Forest | 24 7/10 |
| Wauconda | 17 7/10 |
| Grays Lake | 5 |
| Zion | 3 7/10 |

Two new records were set as Larry Barrett took the mile in 4:41 to beat the old record of 4:41.1 made in 1947 by Jameison of Waukegan. Barrett is also of Waukegan. The other record was set by the Highland Park freshman relay team in :48.5 to top the mark of :48.8 set by Waukegan in 1947.

Place winners for the local high school were: Dobous who took third in the 120 yard high hurdles and 5th in the 180 yard low hurdles; Walker, who took 5th in the 100 yard dash; Swift, who took third in the 440 yard dash; Dorough, who took second in the 220 yard dash; Huxtable, who took fifth in the 880 yard run; Kaatz, who was fourth in the shot put; Watrous, who was tied with Roake of Barrington for first in the pole vault; George, who took second in the discus and first in the high jump; Weinfeld, who was first in the broad jump; the medley relay team came in fourth, the frosh-soph relay team was third and the freshman relay team which took first.

Big league polo, a hard hitting, fast moving sport, will be available to Highland Park area radio listeners this summer. Radio station WKRS and WKRS-FM at Waukegan announced that it will broadcast all the games of the Arlington Farms Polo club at Libertyville, beginning with the May 30 Memorial Day opener at 3 p.m. against the Milwaukee Polo club.

The boys baseball program for Junior and Midget boys conducted by the Highland Park Playground and Recreation Department now has 95 boys playing ball. The Junior Division, boys 14 and under, sent their best against the Lake Forest Academy freshman team at Sunset Park last Saturday and came out with a 26 to 19 victory in a wild scoring game. Earl Hodgen, coach of the local juniors, was missing several heavy hitters for the fray, but those available did a fairly good job of pounding the ball. Top batsman for the locals was Marshall Strauss with 5 singles, the starting and winning pitcher of the game was John Whitney. The

Midgets will take on their first outside competition this Friday, the 25th, as they travel to Lake Forest to meet the Lake Forest Day School.

The Highland Park Freshman track team copped the honors in the Suburban League freshman track meet held at Evanston. Tom Comperre started the ball rolling by taking first place in the high hurdles and first in the low hurdles. Sagi gathered in nine points by taking a first in the discus and a second in the shot put. Salo took second place in the 220 yard dash and tied for second in the 100 yard dash. Keller got a tie for second in the high jump. Walters and Bell were in a three way tie for second place in the pole vault. Carson took fourth in the high hurdles and the relay team of Comperre, Carson, Gardner and Salo took second to give the freshmen a total of 42 points. Benson just missed getting fifth in the 880 yard run. Other members of the team were Taylor, Jaffee, Fridrich and Johnson. According to coach Mark Panther these boys have done a fine job and could be the nucleus for a fine track team.

It was a rough week for the high school varsity baseball team as they dropped a 3 to 2 decision to Evanston. Although outitting the invading Wildkats 9 to 4, a couple of errors spelled the difference between victory and defeat. Marchetti and Freeberg were the batteries for the game. Last night the Little Giants took it on the chin by a 10 to 3 count from New Trier who is at present battling to stay at the top of the Suburban League race.

We learned recently that our friend George Grover will not be here next year to coach the frosh - soph football and varsity baseball teams. He has been given a year's leave of absence to complete his studies towards a doctor's degree which he will pursue at Columbia university in New York City. We want to take this opportunity to thank George for the many kindnesses shown this column during the past three years and we are looking forward to his return and many more years of pleasant association. Good luck to you and Mrs. Grover, in the years to come, George.

Women Of The Moose

At the May 16 meeting of Women of the Moose, chapter 806, Mrs. Lee Tagnonelli, Hospital Guild chairman, introduced the guest speaker, Mrs. Elizabeth Waddington, assistant superintendent of the Highland hospital. Nine new members were initiated, and the following new officers were elected: Sr. Regent, Mrs. Lester Marshall; Jr. Regent, Mrs. Muss/Corso; Chaplain, Mrs. Ann Watt; Recorder, Mrs. Marshall Meckley; treasurer, Mrs. Gene Beringer.

Academy of Friendship rings were presented by Jr. Graduate Regent Mrs. Marshall Meckley to Mesdames Gene Beringer, Nick Wagner, Wm. Hanner, Ray Mann, Joe Volpendesta, Henry Nargardner and Fred Nettleman. Ninety-five were in attendance.

Mrs. Lee Tagnonelli is in charge of a Games Party to be held Saturday, May 26 at the Moose Home. The next closed meeting will be June 26, with Mrs. Gordon Vines, membership chairman, in charge of the social hour. Mrs. Vines is awarding a necklace set as her project.

The new barber at the local tonorial parlor hadn't been at his trade very long. His next customer, a one-armed fellow, sat himself in the chair and the tyro set about lathering him up in best professional style. But as he brought the razor down the customer's cheek, he nicked him and then he nicked him again.

By this time, the customer was bleeding a bit heavily, and the young barber, in a desperate attempt to cover up, started making conversation. "Say, haven't I shaved you somewhere before?" he asked.

"No, sir," replied the customer. "I lost my arm in a sawmill."

Highland Park And Highwood Hosts To Science Conference

On May 12 a science conference for intermediate grade school teachers, under the sponsorship of the Laboratory school of the University of Chicago was held in Highland Park and Highwood. The program began at Braeside school, continuing at Elm Place, Lincoln, Ravinia, West Ridge and Oak Terrace. Bert Leech, Roland Wirt and Mrs. Clara Walton were in charge of their respective districts.

Organized three years ago, the purpose of the program is to demonstrate activities of the science classrooms and laboratories.

As a result of the conference, grade pupils from Hubbard Woods schools spent an afternoon, last week, at Lincoln school. Of special interest to the young guests was the display of cacti, which they are now studying in connection with Arizona, John Pollak's hobby of light learned from recent discoveries and David Selzer's tropical fish. Young demonstrators of science experiences for the occasion were Steve Corman, Dick Cushman, Jim Nathan, Chuck Adler, David Kreitling, Nancy Johnson, Sherry Miller, Linda Kaufman and Bonnie Hall.

Girl Scout News

Mrs. Richard Perkins Girl Scout troop 10, (Elm Place, 6th grade) went on an overnight trip to the cabin and had a grand time. They had cook-outs and enjoyed nature walks. The care and use of a hatchet was also learned. Some small trees were cut down according to tree conservation regulations, and wash stands were made for presentation to the day camp. Sandra Salo, from girl scout troop 8, who is an expert at lashing, helped the troop with the different knots and lashing.

The guest had waited an hour for a room in a small town hotel. Finally the manager summoned him and said, "Well, sir, we've got your room ready. But, you'll understand, we're short of help here and you'll have to make your own bed."

"Oh, I don't mind, at all, I've done it before," said the guest. "Well, that's fine," answered the manager. "Here's a hammer and saw."

Your Gas Wrecker Worker

It is said to make a big difference whether the milk pail is filled by the cow's giving more milk or by the addition of water.

So it is with quality in refrigerators. Folks who know that it's the freezing system that counts, know that it's Servel, the gas refrigerator, that backs its quality with a ten-year warranty on the complete freezing unit, burner and control system.

If you are one of the many who are truly interested in a new refrigerator in '51, that will be every bit as efficient in '61, we suggest you stop in at your Servel dealer's or North Shore Gas Company and see the marvelous, motorless Servel Gas Refrigerator.
