### NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held in the Council Chamber in the City Hall in the City of Highland Park, Illinois, on Wednesday, the 1st day of August, 1951, at 8:00 P. M. Said public hearing will be conducted by the undersigned, the Zoning Committee for the City of Highland Park, designated and appointed by the Mayor and City Council of the City of Highland Park for that purpose, to consider the amendment of the districts created by the Highland Park Zoning Ordinance of 1947 in the following respects:

1. To rezone from "F" Multiple Family Dwelling District to "H" Multiple Family Dwelling District, the following described property: Lots 7, 8 and 10, Block 9, City of Highland Park.

2. To rezone from "D" 1 1/2 acre Single Family Dwelling District to "H" Multiple Family Dwelling District, the following described property: Lots 41, 42, 43 and 44 in Block 1 in First Addition to Ravinia Highlands in the City of Highland Park, Lake County, Illinois.

At the said public hearing and at any adjournment thereof an opportunity will be afforded to all persons interested in the matters above mentioned to be heard in relation to said matter.

## North Shore ORT Welcomes New Members At Luncheon

Despite lowering skies an enthusiastic group attended North Shore ORT's annual summer membership party. An alfresco luncheon was served in Mrs. Leon Schochet's spacious home and colorful garden in Glencoe. Responsible for the preparation and serving of the savory repast were the social chairman, Mrs. Harry Saletta, and her committee, the Mesdames William Kleve, Morton Abelson, Samuel Jacobson, Isaac Pilka, Myron Sangerman, Saul Stone, Max Auerbach, Harold Heister, Rose Manasse and Miss Ruth Shapiro. The decorations were created by Mrs. Robert Kahn, and, as always, their originality called forth many appreciative exclamations. The color scheme, blue and white, as well as floral arrangements and symbols reflected ORT's traditional pattern.

Receiving the guests who came from Lincolnwood, Glenview, Skokie, Northbrook, Evanston, Wilmette, Winnetka, Glencoe, Highland Park, Waukegan and Milwaukee were Mrs. Sidney Morris, Membership Chairman, Mrs. E. M. Gherman, President, Mrs. Nathan Goren, Secretary of the national board and regional Expansion Chairman and Mrs. I. M. Greenberg, member of the national board and Public Relations Chairman. Among the Village Membership Chairmen were Mrs. R. Swartzman of Wilmette, Mrs. Albert Stein of Evanston, Mrs. Henry Fink of Winnetka, Mrs. Glenn Seidenfeld and Mrs. Joseph Kessie of Waukegan.

Following the luncheon the guests assembled to listen to Mrs. Morris' inspiring comments on phases of ORT's objectives and achievements. The highlight of the afternoon was the vivid narrative of an inspection tour of ORT schools in Europe made last summer by Mrs. Harry Aronson of Milwaukee, honored guest, who is a national vice-president. She emphasized that ORT provides the training for skills which mean productivity, security and dignity, and reported that leaders in these countries expressed deep gratitude to ORT for assisting so effectively in the rehabilitation of their war-devastated countries. Socially and organizationally it was a rewarding afternoon.

## Boundaries Of Western Avenue Under Discussion

Western avenue, lying partly within the Highland Park city limits and partly within the Highwood boundary, will be the subject of discussion, in the near future, between committees from the respective towns. About a year ago a petition was submitted from residents on the west side of the street asking that they be included in the city of Highwood.

Included in the Highwood committee are Aldermen Louis Baruffi, Joseph Calzia, Dominic Capitani and Americo Ladurini. The Highland Park council has been requested to appoint a committee to consult with this group.

## Thirty-eight From Lake County To Be Inducted In August

Thirty-eight men from Lake county will be inducted during the first 17 days of August, it was announced today.

Board 151, covering this immediate vicinity, will induct 20 men on Aug. 15.

On August 2, 15 men from board 151 will take pre-induction physical exams.

The Lake county induction call is part of a statewide order for 2,675 men to be inducted Aug. 1 through Aug. 17.

## OBITUARIES

### Douaire

Mrs. Emily Douaire, 71, of Chicago, mother of the Rev. Arthur Douaire, assistant priest at St. James Church, Highwood, was taken by death on Monday, July 23 in Ravenswood hospital, Chicago, after a month's illness.

Besides her son, Mrs. Douaire is also survived by two other sons, the Rev. Richard Douaire of St. Columbanus Church, Chicago, and Thomas, also of Chicago; one daughter, Mrs. Isabelle Buelesback. Her husband, Arthur, preceded her in death, in January, 1950.

Funeral services were held this morning (Thursday, July 26) at 10:30 a.m. at Our Lady of Lourdes church, Chicago. Her son, the Rev. Richard Douaire, read the mass and her other son, the Rev. Arthur, assisted.

### Griffith

Private memorial services for Mrs. Eva Duncan Griffith, 78, were conducted at the home of Mr. and Mrs. Bernard E. Newman, her son-in-law and daughter, on Saturday, July 21, Mrs. Griffith died on Thursday, July 19, at the Highland Park hospital. Mrs. Newman is the only survivor.

Mrs. Griffith, a widow, who was born on December 9, 1872 in Falmouth, Ky., had lived at the Newman home, 1990 Sheridan rd., for the past 20 years.

### Kline

On Tuesday, July 24, at 9:30 a.m. funeral services were conducted at Holy Rosary church, North Chicago, for Edward L. Kline, 73, lifelong resident of Lake county. Mr. Kline passed away on Saturday, July 21, at the Zion Rest Home, where he had been residing for the past year.

Mr. Kline is survived by three sisters, Mrs. Elizabeth Perry, Mrs. J. H. Stipe and Mrs. Dora Wink, all of Highland Park; a step daughter, Mrs. Clarence Prentice of Englewood, Colo.; three grandchildren and 12 great grandchildren.

Interment was in St. Mary's cemetery, Highland Park.

### Pasquesi

Funeral services were held on Monday, July 23, at St. James church, Highwood, at 9:30 a.m. for Luigi Pasquesi, 86, of 225 Jeffrey's place, Highwood. Burial was in St. Mary's cemetery, Highland Park.

Born in Modena, Italy, on January 19, 1865, Mr. Pasquesi came to Illinois in 1907 and to Highwood in 1925. He passed away at the Highwood hospital on Saturday, July 21, after a week's illness.

Three sons, Carl, Dominic and Paul, all of Highwood; eight grandchildren; four great grandchildren and a brother and sister in Italy, survive. His wife, Maria, preceded him in death in May, 1950.

## Care Of Roses During Hot Summer

Hot summer weather is not a serious problem to healthy rose plants as long as a regular schedule of care is followed. Giving roses an adequate water supply is probably the prime responsibility during these hot dry periods.

A schedule of long soakings at regular intervals is the secret to successful watering. The best method is to let the hose slowly trickle over a board at the base of the plants. This will give a more even watering and avoid washing the dirt away from the base of the plant. The soil should be soaked to a depth of at least ten inches. An important thing to remember is to avoid wetting the foliage of your rose plants when watering the beds since this practice often contributes to the spread of fungus diseases.

Weeds may be discouraged by mulching with great moss, composted grass clippings, buckwheat hulls, ground corn cobs or other available material. Mulching will not only deter the growth of weeds but will keep the soil moist and cool. Any cultivation of the beds should be kept light and close to the surface.

Roses use up a large amount of the available food supply during this active growing season. Organic fertilizer such as well-rotted manure may be worked into the soil to keep your plants healthy and vigorous. If organic fertilizer is not available, the application of a heaping tablespoon of any good commercial fertilizer should be worked into the bed around each plant at four week intervals.

The successful battle against fungus diseases and insect pests depends on regularity to a great extent. Dusting or spraying at regular intervals will keep damage to a minimum. This should be done in the early morning or late afternoon every ten days, application covering both sides of the leaves, and re-applied promptly after every heavy rain.

## N. S. Citizens Sponsor Benefit Performance

A special benefit performance of "Hilda Craige," a new Broadway comedy making one of its first appearances in summer stock productions, will be staged August 22 at the Tenthouse Theater-In-The-Round on behalf of the North Shore Citizens Committee.

Heading the arrangements committee for the benefit performance is Mrs. Peter Kuh of Winnetka. Among those assisting her are Mrs. John Levinson, Mrs. Anne Jenkins, Mrs. Edward I. Rothschild, Mrs. Leonard Arnold, and the Misses Alice Anderson and Elizabeth Bredin, all of Highland Park.

## County Fair To Feature Horse Show August 2nd - 5th

For the first time in several years the Lake County Fair will feature a horse show this year. For several years the County Fair boasted one of the most spectacular horse shows in this part of the country. Due to a lack of proper facilities the horse show was discontinued.

Arrangements are being made this year to stage a show that

## Council—

(Continued from page 1)

Charging that the two bridges on Deerfield rd. are both dangerous and too narrow, the traffic commission recommended that the city apply to the state for aid in the repair of the structures.

A letter was received from the Highwood council asking Highland Park to appoint a committee for a joint meeting with a similar group from Highwood to study improvements to Western ave. and the continuation of Green Bay rd., parts of which lie in both cities. Commissioners Harry Schram, James Mehan, and City Engineer P. E. Cole were appointed Monday night.

Referred to Commissioner Mehan and the city engineer for further study was a letter from Fred Bonn asking for permission to extend a sewer main from Clavey rd. to the latter's property at 1221 Briar ln.

Mrs. Richard Kuhns, Mrs. Clarence W. Balke, and Carl Holzheimer were appointed to the Highland Park library board for three year terms effective as of July 1.

The tax levy ordinance was given final adoption last night.

Commissioner Schram was instructed to confer with the state highway department on the matter of obtaining an increase over the \$4,533.52 paid to the city for the maintenance of state highways.

Highland Park was informed that the City of Winnetka has increased by \$900 a year the charge for milk inspection here. The city has a contract with Winnetka for that service. Dr. Douglas Boyd, president of the board of health, and Commissioner Aaron Bauer were authorized to confer with Winnetka on a compromise arrangement.

The state department of public work and buildings wrote in stating that it is making a study of beach erosion. It was pointed out that that study effects only the pumping station as far as the city is concerned, the balance of the public land along the shore here being under the control of the park board. The matter was referred to George Prindle, superintendent of waterworks, for study.

A single bid was received for 388 parking meters to be installed on the new city parking lot. The McGee Hill Parko-meter Co. of Chicago would charge \$65 for each head and its installation. The commission decided to buy the heads and pay for the installation but to purchase its own pipe for the standards. If no objection is received within 48 hours, a contract will be signed for the purchase of the machines.

## Public Service Co. To Exhibit Farm Show At Fair

The electric farm show of the Public Service Company of Northern Illinois, which has been a major attraction at northern Illinois county fairs for the past four years, will be featured at the Lake County Fair in Wauconda, August 2, 3, 4 and 5 with a completely new 1951 exhibit, it was announced recently by the utility.

With "better methods" the theme, the new display, especially produced for county fairs, shows how electricity saves both dollars and labor for the farmer.

The exhibit will show methods of installing equipment for handling farm materials with emphasis on crop drying and barn cleaning and will show results which have been obtained.

The exhibit will be open free daily to all visitors at the fair.

A sidewalk astronomer mounted his telescope on its tripod and swung it around just as a shooting star fell. A native of the backwoods country, who had been intently watching him, suddenly exclaimed, "By golly, that feller sure is a good shot."

—Tracks should thrill thousands of fair visitors.

The Lake County Fair will open on Thursday, August 2nd, and continue through Sunday night, August 5th.

## New Selective Service Regulations

New Selective Service regulations permit a registrant, or his employer if qualified, to appeal a claim for occupational deferment to the appeal board having jurisdiction in the place where the man is employed, instead of to his "home" appeal board which formerly had sole jurisdiction in occupational cases.

Colonel Paul G. Armstrong, State Selective Service Director, said that if a man is registered with an Illinois local board but works in a defense plant in Pennsylvania, for example, he can have his case submitted to the appropriate appeal board in Pennsylvania. However, he or any person entitled to do so must request this transfer of appeal in writing at the time of notice of appeal is filed with his local board.

Only men seeking deferment on occupational grounds are effected by the new regulations. Colonel Armstrong said. This includes industrial workers and farmers whose activities may be considered necessary to the maintenance of the national health, safety, or interest.
