The Sixth Annual Wilberforce Elementary School Fun Day was held on the school yard and in the school on Friday afternoon, September 15.

They could also take part in hands-on demonstrations by the Fire Department, Police Volunteer Association, Minden O.P.P., and Ambulance Service.

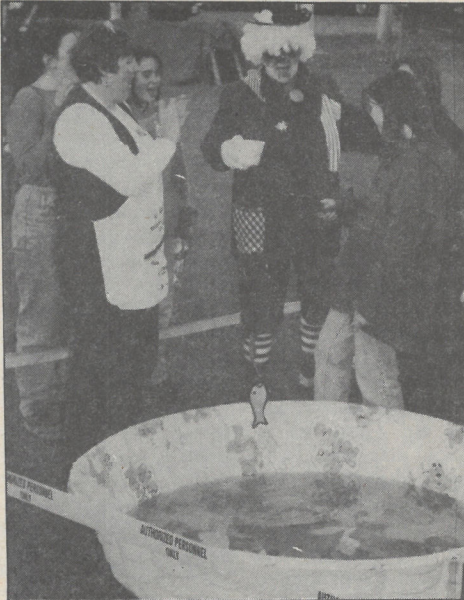

There were sales booths and "penny auction" booths for adults and children.

There was food for everyone, with chef Clara Burt.

There was a six part raffle. Winners were:

- * attendance at Ted's Pals Hockey School, Haliburton (drawn in the spring so that the winner could attend last summer): Sharon Brennan.

- * Two rounds of golf at Elephant Lake Lodge: Angie Coghlan.

Teacher Dianne Hagerman applauds student Lindsay Logan at the fish pond, as a familiar looking clown looks on

Eagles Nest Restaurant

By Sheila Baverstock

Eagles Nest Restaurant, in Bancroft, has set September 21 as the day to launch their new fledgling.

Adding to their already delicious menu, they will

now be offering "Mountain Boy Chicken 'n Taters."

Gord and Sadie Creighton have operated Eagles Nest since 1989.

The restaurant will be extending its hours. New open hours are 6 a.m. to 9 p.m. daily.

The Induction service began with

the measure of our ministry and what are the marks of our ministry?" The motive must be for the Glory of God. The right motivation will reach the community, and what is done will last. Security comes from following Jesus Christ. The right measure is God's measure. If the Spirit of God is with the church there is growth. People with a true ministry are marked by suffering just as Paul had marks on his body from the persecution he suffered for his preaching of the gospel. Paul lived by the grace of the Lord Jesus Christ.

The Induction service began with

Terry Grimes Induction

(Continued from page 5)

Hunter's comment that this is a wonderful time for the church to reform, regroup and move forward.

He described pastoring as a high and holy calling, but also a great responsibility to study God's word, engage in public and private prayer and reverently order service in God's house according to the New Testament pattern.

Rev. Terry Grimes promised to attend to the affairs of the church and be true to God's Word. His wife Judy was included in the Induction promising to support her husband with prayer and encouragement him in his work.

The Church Board promised to give the pastor tempo-

ral comfort and support and to assist him so that he can give himself to the ministry of the Word and prayer.

The members and adherents of the church were asked to regard this man of God as the under shepherd of their souls. They

were asked to promise to be doers of the Word and not hearers only. They were exhorted to love and esteem their pastor, ceasing not to pray for him and to solemnly covenant to work together with him.

Paastor Grimes returned to the platform after his official Induction. He declared that he believes that God has tremendous things in store for the local congregation as they all work together. He has a vision of all the pews being filled. He believes that the local Christians have a great opportunity to impact other communities as well as their own as they influence the many visitors to the area.

After the service everyone had an opportunity to become better acquainted with Pastor Terry Grimes, his wife Judy, and their son David and daughter Tracey-Lynn as they gathered in the lower auditorium for lunch together.
