

Wednesday, June 27th

Removed old tin ceiling
panelling off south wall on
inside.

Elie + Jo Puffed Today from
Dump grounds Raked up.

Far window on N. Wall
opened up

Attic completely cleared
ready to take off wooden
ceiling.

Lighting and Electrical materials
removed

Demolished 3 snakes.

4.00 3 nails stepped on today.
Discussion: Not raining outside work
for example panelling porch.

Raining → Inside panelling off.

Building Inspector Here Today

~~Went to the dump grounds
to get the old tin ceiling
materials.~~
