

We could at least buy ^{over} half of the shingles that we needed for the museum.

All in all the evening was not only an enjoyable one for everyone who participated but it was very profitable for those ~~involved~~ of us who were worrying about whether or not we could get our shingles for the museum.

Tuesday Aug 14th

Went up to Horsesholtall to clean up after the square dance.

Roof repaired and ready to start shingling. Soffits and gable boards finished.

General clean up of inside of building
Dump Puns.

Wednesday Aug 15th

Bill Bulger and Jo into Pany Sol to get shingles for roof. Couldn't meet prices at Jackson. \$10.00 a square
Wow - Couldn't believe the price for #3 grade of shingles.

Got five squares of shingles at Normas Building Supplies in

Mactier - Cost of \$50.95 a square

practically \$20.00 difference for ~~it~~ exactly

the same thing - grade 3 shingles - in Mactier.

Elle started making door frame for front door

Nadine built well covering for the old well
Boys worked on heavier piling of
