

THE LAW REFORM ACT.

Mr. BETHUNE moved the second reading of a Bill to amend the "Law Reform Act of 1868."

THE RAILWAY FUND.

The report of the Committee on the Bill to make further provision touching the appropriation of the Railway Fund was received, and put down for the third reading to-morrow.

FRAUDULENT DEEDS, &c.

The report of the Committee on the Bill to declare the true construction of the act passed in the thirteenth year of the reign of Queen Elizabeth and cap. 5, and intitled "An Act against fraudulent deeds, alienations," &c., was received, and on motion of Mr. Blake the bill was ordered to be read a third time to-morrow.
