

road stock, concurred with the Councillors in advocating a reference to the commissioners.

The deputation was accompanied by Mr. Pattullo, Dr. McKay and Mr. Carpenter.

Notices of Motions.

Mr. Bennett—On Tuesday next—Order of the House that there be laid before this House a return of copies of all correspondence subsequent to previous returns between G. O. Hays and other persons on his behalf, and the Commissioner of Crown Lands, and between the said G. O. Hays and other members of the Cabinet with reference to the claim of the said G. O. Hays as having been the first discoverer of gold on lot No. 9, in the 9th concession of Marmora; also copies of affidavits made by John W. Taylor and John Feigle, filed in support of said claim, and of all other affidavits filed since the resignation of the Sandfield Macdonald Government with the dates of filing; also copies of any report made, or the claim by any officials of the Department of Crown Lands, or by any other person since the date of report made by J. C. Miller; also copies of the decision or decisions, if any, arrived at by the Commissioner, or by the Attorney-General or the Government since the report of Mr. Miller with reference to said claim, and of all letters transmitted to or advising the said G. O. Hays of such decision.

Mr. Dickenson—On Tuesday next—Bill to amend the act respecting Coroners.

Mr. Langford—Tuesday next—Inquiry of Ministry: Did F. Halliday lease or purchase from the Government any land in the Township of Effingham, or in the adjoining township? If so, how much land was leased or purchased, and what amount did the Government receive for same?

Mr. Garrow—Tuesday next—Bill to better define the relation between water supply corporations and municipal corporations.

Mr. Caven—Tuesday next—Bill to amend the municipal act.

Mr. Little—On Tuesday next—Inquiry of Ministry: How many heads of live stock are kept at the farm and in connection with the Reformatory for Boys at Penetanguishene? Also on Tuesday next—Inquiry of Ministry: How many acres of land are under cultivation and used for farm purposes in connection with the Asylum for Idiots at Orillia; also how many head of horses and cattle are kept in connection with the institution?
