

Will Investigate Charge Touching Whiskey Seizure

Prompt investigation was promised on the floor of the Legislature by Attorney-General Raney yesterday of the report that, following the seizure of a car of whiskey at Chatham, bottles of liquor were indiscriminately distributed to all-comers. Mr. Dewart introduced the matter by reading a letter he had received from a Chatham complainant. Hon. Mr. Raney said that the writer had sent him a like missive and commented that apparently there had been some "gross irregularity" in the capital of Kent County.

Night Yet Young at 11.30 Thinks Farmer Premier

Premier Drury means business when he asks that the Legislature get right down to work and finish up. When the McCreary resolution was carried last night at 11.30 he wanted to proceed with another bill, and named the number on the order paper. A howl of protest went up from the Opposition side, and members started to leave in groups.

Mr. Dewart arose to say that the Liberals were with the Premier in an effort to carry on business with despatch, but he hardly thought it reasonable that the House should start discussion of a bill at 11 o'clock. The Premier allowed the protest, and the House adjourned. But there are to be night sessions every night, except Friday, in future.

SALARIES OF OFFICIALS ARE TO BE CONSIDERED

LEGISLATURE WILL APPOINT COMMITTEE TO SIT DURING COMING RECESS

During the recess between this and the next sessions of the Legislature a commission or a committee will investigate and report on the salaries of Crown Attorneys and other civil servants, according to Hon. W. E. Raney.

The Attorney-General made his announcement in the House yesterday, when the bill concerning the Crown Attorneys of York and Toronto came up again. He said that the Government was not prepared at the present time to set the salaries to be paid to these two officials.

The bill, which was proposed by J. W. Curry (Southeast Toronto) would take from the Crown Attorneys in the city and in York the right of private practice. Mr. Curry asked that his bill stand in the meantime, and the request was granted.
