

feeble-minded cases in the district; that the Department of Agriculture appoint colonization agents for the district; that British subjects only or bona-fide settlers should have the right to carry firearms; that trapping licenses be granted to British subjects only; that the Government establish a close season for beaver, otter, marten and fisher for three years; that the Premier, his colleagues and members of the Legislature be invited to visit Algoma next summer.

Following the meeting various committees of the delegation interviewed several of the Ministers and presented details as to their different requests.

Following are the delegates from the Algoma Advisory Union who met Premier Drury and his Cabinet:
