MILLION IN REVENUE FROM MINING LANDS

Ontario Treasurer Also Reports T. & N. O. Net Operating Profits \$982,963

Provincial Treasurer Monteith, replying to a query in the Legislature yesterday afternoon, stated that \$999,065 was the total revenue received in the last fiscal year by the Government from the mining lands of Northern Ontario. The total revenue received from the lands and forests of Northern Ontario, other than mining lands, was \$4,016,800. The total net operating profits of the Timiskaming & Northern Ontario Railway in the last fiscal year amounted to \$982,963.

Premier Ferguson, answering another query, stated that 4.18 miles of rural Hydro lines had been built in the County of Dundas. The cost of construction was \$6,799. Nine farmers were served by these lines. The cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the beauty of the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per horsepower was \$46.50 at Chesterville, and 8 cents per bile weet the cost per

kilowatt hour.
