THE EDITOR'S NOTEBOOK

Our Annual Autumn Slide Night at the October Meeting proved to be a great success in that, as usual, our members participated freely and provided a large amount of excellent material. We wish to express our thanks to all who participated, and to Roger Chapman for again serving as projectionist.

Our special thanks go to Canada Steamship Lines for donating a trip through the Welland Canal on one of its vessels, and to Glen Gardiner for making the necessary arrangements. A draw was held amongst those present at the October Meeting, and the winner of the trip for two was Dr. Gordon C. Shaw.

If any of your friends remark that they have not received this issue of our newsletter, you might remind them that it is because their membership fees are outstanding, and that an early remittance to our Treasurer will put them back on the mailing list!

In the New Member Department, a hearty welcome goes out to Robert Chapman of Midland, to Paul Crannie of Southampton, to W. K. Matthews of Camlachie, to Manfred Schulzke of Toronto, and to David P. Domino of Allen Park, Michigan.
