

An early postcard view, courtesy Don McCartney, shows ROSAMOND BILLETT on Lake Winnipeg. Were all the people observers or excursioning passengers?

This photo, courtesy Rev. R.M. Donahue, captured ROSAMOND BILLETT digging sand on Lake Winnipeg. Note unusual gear and cordwood stacked on deck.

A Hayward photo of T. P. PHELAN, taken at Montreal in 1920, comes to us courtesy of Don Boone, of Collingwood.
