## THE EDITOR'S NOTEBOOK

The November Meeting featured a most interesting programme, presented by Gordon Turner, illustrating the changing shipping scene in European waters. There was a large turnout of members and we all enjoyed an extremely pleasant evening.

We have been greatly encouraged by the response of our members to our annual membership renewal request. The reaction of the members has been extremely gratifying, and only a few recalcitrants have been tardy in sending us their renewals. If you know of any such procrastinators, please give them a good kick in the direction of their chequebooks...

In the New Member Department, a hearty welcome goes out to John Dedrick of Scarborough, to Capt. C. Birmingham of St. Thomas, to Capt. Scott Clegg of Chatsworth, and to Richard E. Workman of Corunna. And, in addition, a big "Welcome Back" to all who have renewed for the new 1990-1991 season.
