MEETINGS

As usual, there will be no formal meetings of T.M.H.S. during the summer months, but we look forward to seeing members at the various observation spots around the lakes, or perhaps aboard one of TRILLIUM's public harbour excursions during this, her eighty-first year, or aboard SEGWUN in the Muskoka Lakes. Our next regular meeting will be in October, when we will feature members' slides of their summer shipwatching activities. Please watch for details in the Mid-Summer issue.

THE EDITOR'S NOTEBOOK

The April Meeting, very well attended, featured a trip with Bill Wilson to the waterways of Europe and the U.K., with views of the many paddle steamers which either still run there or were in operation in recent years. We thank our Chief Purser for his efforts in putting together such an interesting and well-received programme.

By the time you read these words (unless you are sneaking a look during the show), our 1991 Annual Dinner Meeting will have come and gone, and we will have enjoyed the presentation by member Bob MacDonald on the subject of his home port of Erie, Pennsylvania. We thank Bob for his efforts on behalf of T.M.H.S. We also extend thanks to Bill Wilson for selling tickets and arranging the menu, and to Gordon Turner for arranging the programme.

In the **New Member Department**, a hearty welcome goes out to Ronald M. Findlay of Niagara Falls, N.Y., to Capt. Sam Staruch of St. Catharines, to Robert V. Fletcher of Cheboygan, to Joseph P. Doman of Rochester Hills, Michigan, to Alex L. MacIntyre of Tantallon, Nova Scotia, and to Douglas R. Johnson of Southampton, Ontario.
