THE EDITOR'S NOTEBOOK

The change of venue for our November Meeting comes via the courtesy of member Jim Semon, who has made available to us the video facilities of the conference room at his company's offices. This should result in excellent viewing quality, and we thank Jim for his generosity. To reach the meeting site from the Queen Elizabeth Way, take the Kipling Avenue exit and proceed north to the first traffic lights. Turn left on The Queensway and continue two short blocks to Vansco Road. Carlton Cards is located on the north side of The Queensway at Vansco Road.

This is the first issue of our twenty-fourth volume, and that means that your Editor has been pounding typewriter keys for "Scanner" for twenty-three years. All of that adds up to more than 3,100 pages of marine material! And we couldn't do it without the help of all of our regular correspondents, to whom we now extend our most heartfelt thanks.

In the **New Member Department**, a hearty welcome goes out to William Irwin, of Mallorytown, Ontario, and to Ken Hillier, of Owen Sound.
